Auctioneers Foreword

Harrison and Hetherington are honoured to have been asked to assist in the marketing of this exceptional collection of cattle from the GRAHAMS, GOLDIES, HALTCLIFFE and WHINFELLPARK prefixes; names which are recognised throughout the Limousin community, even on a global level.

A full sister to the 30,000gns Haltcliffe Emerald is a highlight from the Ridley family, alongside two daughters of new sire Esteban who has already bred sons to 15,000gns. Solid maternal lines are presented from the Grahams herd in addition to the chance to purchase a future Royal Highland Show champion. The pick of black genetics comes from the Goldies Herd, with a full sister to the record 30,000gns Goldies Black Forever offered for sale alongside many other close relatives. From Messrs Jenkinson comes the first opportunity to purchase in-utero progeny from the world record 120,000gns Dolcorsllwyn Fabio.

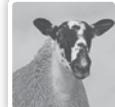

The other lots on offer cover all tastes and budgets and represent a fusion of the established female lines which constitute the Limousin breed's history and some of the exciting new bloodlines which will no doubt become part of its future.

GRAHAMS HERD

The Grahams herd is privileged to offer a promising selection of females for sale. The heifers forward are descended from some of the herd's most successful bloodlines, with many relatives selling for five-figure sums. Also for sale are two of the herd's brood cows, both from import families. Females previously sold from the herd have gone on to be successful for their new owners both as breeding stock and in the show ring. Grahams Glorious, purchased at the Red Ladies Derby 2012 by Kevin Watret, was recently crowned Limousin Heifer and Interbreed Champion at Ayr Show.

The animals for sale are predominantly daughters of the herd's two stock sires, Grahams Alexander and Millgate Clinker with two lots sired by exciting new sire Baileys Elderado. A selection of heifers are sold in calf to the world record priced black Limousin, Goldies Black Forever.

GRAHAMS ALEXANDER

Habitude (dam) was the best milking cow in the herd and was also the dam of Grahams Unbeatable (35,000gns), Grahams Trooper (16,000gns), Grahams Eliot sold to the Cockleshell Herd for 11,000gns, Grahams Davine (14,000gns) and Grahams Edna (sold for 13,000gns).

MILLGATE CLINKER

Purchased for 30,000gns at Perth in October 2008. Limousin and Interbreed Champion Black Isle Show 2012. Sire of Grahams Ethel 10,000gns Red Ladies Derby, Carlisle Dec 2011.

BAILEYS ELDERADO

Purchased for €17,000 as Junior Male Champion, Roscrea October 2010. Combines the breeding of the 52,000gns Queenshead Altea and the 55,000gns Grahams Samson.

Health Status:

- Currently on a 4 year TB testing interval, last clear test April 2013
- Member of CheCS controlled health scheme for Johnes & BVD
- Routinely herd testing against BVD and Johnes
- Routinely vaccinating against BVD

We would like to wish all buyers the best of luck with their new purchases.

HALTCLIFFE HERD

The heifers in this year's sale all have the blood lines of Sympa, Cloughhead Umpire or Haltcliffe Vermont and come out of the top cow families in the herd.

All the heifers are signet recorded with beef values up to LM+39.

Herd Health Status:

- Currently on a 4 year TB testing interval
- Member of CheCS controlled Health Scheme for Johnes and BVD
- All sale heifers are vaccinated against BVD
- Johnes Risk Level 1 Herd

In addition to the heifers on offer we have two outstanding crossing bulls in the sale, one being full brother to the 15,000gns Haltcliffe Dynamo.

The Haltcliffe Herd were the North West Limousin Club Herd Competition winners in 2006, 2008, 2009, 2010, 2011 and 2012 and winners of the National Herd Competition 2011.

Main sire of the Heifers:

SYMPA

Sire of 3 heifers in the sale and sire of the dams of 7 others, easily the most influential sire in the breed in the last 10 years, with too many high priced bulls to mention and many of his daughters producing champions and top price bulls.

CLOUGHHEAD UMPIRE

Sire of 4 heifers in the sale and sire of the dams of 6 others, has proved to be a great cross onto the Sympa daughters for the herd and many other breeders. In the recent sale in Carlisle, May 2013, the Overall Champion and top-priced bull were both sired by a bull which was an Umpire son from a Sympa-dam. The second top priced bull at the same sale was a direct Umpire son, again from a Sympa-sired dam.

HALTCLIFFE VERMOUNT

Sire of 4 heifers in the sale and grand sire of 3 others. The first Limousin bull to ever sell at the 100,000gns mark, whose first crop of calves paid for him and he is still working well in the Proctors herd at 9 years of age. His dam, Renoncule, is still looking good and breeding at 13 years old.

HALTCLIFFE DYNAMO

Sire of 2 heifers in the sale, by Haltcliffe Vermont out the Cloughhead Romany, he was sold for 15,000gns Carlisle Feb 2010.

ESTEBAN

Sire of 2 heifers in the sale. A new blood line for the UK, out of the top show cow Agnes, from the noted French herd of Lalau (the same herd as Renoncule). His first son sold at auction; Haltcliffe Genial, made 12,000gns Carlisle May 2013

WHINFELLPARK HERD

Messrs Jenkinson is delighted to join other top Limousin breeders for this Production Sale, the first such outing for the Whinfellpark Herd. Our female progeny has been much admired by visiting parties to Whinfell Park, so this is a great opportunity to purchase some of our top bloodlines.

Previous successes include Whinfellpark Ena winning the Red Ladies Day Championship of 2010 and going on to sell for 14,000 gns. Weaned heifer calves have sold to 9,000 gns. (e.g Whinfellpark Fanzine). We were also the first herd to sell a batch of Limousin heifers into Poland.

You will note that the heifers are born from several of Whinfell Parks noted stock bulls. Particularly notable are the 50,000 gn Wildodge Cerberus bred heifers being Al'd to the 120,000gn Dolcorsllywn Fabio. Calves of this cross are already on the ground at Whinfell Park and are showing tremendous shape at such a young age.

Dolcorsllwyn Fabio and Wilodge Cerberus, both Overall Champions at the respective Carlisle sales, boast excellent figures and also carry copies of the desirable F94L "profit" gene. Another Carlisle Overall Champion, the 30,000gns Lowerfrydd Empire, has his first female progeny offered for sale here. Empire has also run with the females post AI. Also in the sale are the first females to be offered by the 26,000gns Grahams Dublin. Blagueur, a Sauvignon son, was purchased in France in 2009 has bred consistently well within the herd.

Herd Health Status:

- Currently on a 4 year TB testing interval
- Member of CheCS controlled Health Scheme for Johnes and BVD
- Accredited free of BVD since 2012
- Routinely vaccinating against Lepto

Luckpenny – Straws of semen from any of the herd's stock bulls shown on our website (www.whinfellpark.co.uk) is being offered with every lot sold i.e. one straw of semen per 1,000gns spent.
