

LIMOUSIN PERFORMANCE RECORDING

I Want to Performance Record My Limousin Herd... What Should I Do?

The TAURUS DATA Limousin Performance Recording service is an online service, designed to be simple and flexible for those that use it.

Click on

from www.limousin.co.uk

Click on **'Home'** in top menu bar

Click on **'Society Member Login'** button

Register to use the system (one time only) by clicking the **'Register here'** link
You will receive an email with a URL and authentication code (one time only)
Please follow instructions in the email

Once successfully registered select **'Login'** from the top menu bar and complete the details

'My Page' is a central hub from where you manage all registration and performance recording functions. Click on **'View'** beside your herd name.

To start the Registration process, click **'Enter New Registration'**

To start the Performance Recording process, click **'Enter New Performance Records'**

Don't forget to set your **'Herd Preferences'** on 'My Page' to receive email and mobile phone reminders of key dates such as weigh dates etc

Click **'Help'** on the top menu bar from any page for assistance with submitting records

**For further assistance, call the BLCS office on 02476 696500 or email
info@limousin.co.uk**
