Emslies Sassy Lassies Sale

Welcome to the Sassy Lassie's Sale at Borderway Mart, Carlisle.

Croeso i farchnad Borderway, Caerliwelydd ac i arwerthiant y Sassy Lassies.

Ten years ago we set about establishing a herd of quality Limousins and from the outset it was our intention on reaching our 10th Anniversary to hold a production sale of females that have marked the herd's progress in the breed.

Right from those early days in 2003 no expense was spared in laying the foundations of the Emslies herd, with purchases from the Wilodge, Pennys, Heathlands and Ronick herds. Then in 2005 the noted Ballymoney herd was acquired, giving added impetus to those early foundation females.

We have always aimed to breed females that are commercially relevant, but yet still have the depth of breeding behind them to produce cattle to suit both pedigree and commercial customers.

All of the main brood cows purchased in those early years - Ritzy, Telma, Sweetheart, Veronica and Tess - are still within the herd and are all in-calf again to calve in the spring.

The Emslies herd has exhibited successfully at all the major Royals in the UK, culminating with the interbreed championship at the Royal Welsh in 2009 being won by Ballymoney Veronica with Emslies Eryl at foot.

And as well as show ring success, the herd has performed well in the sale ring with the top price for the herd being the 37,000gns Emslies Frenchman sold to John Downs and Jerry Turner of the Southern Cattle Company, Florida, making him the first UK-bred Limousin to sell to the USA for more than 30 years.

In October 2013 we took the overall championship at Carlisle with Emslies Horny before he sold for 12,500gns to Patrick Greed and then at Stirling in the same week we sold Emslies Hendreron for 15,000gns to Walter Dandie. Black bulls have sold well for us including sales between 10,000gns and 26,000gns and on a commercial level we have regularly topped Thainstone across the board.

Over the years our attention has firmly been on the "5Fs" - feet, functionality, fertility, femininity and figures, all elements being important for the success of any herd.

What we are offering for sale today are many daughters and granddaughters of the original purchases and the lines that have performed for us. We sell them with every confidence that they have the breeding and history behind them to make them work in any herd. We offer a selection of cows and calves, the whole of the "G" heifer crop and the majority of the "H" heifers.

All females of breeding age, from maiden heifers upwards, have been vet-checked and are confirmed to breed. All animals will be pre-movement tested for TB and vaccinated for BVD.

Health Status:

- Currently on a 4 year Testing - all sale cattle have been TB tested prior to sale and are eligible for export.
- Member of SAC CHECS controlled Health scheme monitoring for Johnes and BVD.
- All breeding females have tested negative for Johnes.
- Routinely Vaccinating for BVD

We would like to thank our stockman Jac Roberts for all his hard work and hours spent beyond the call of duty. Our thanks also go to Heather and David and all at Harrison and Hetherington for their assistance with the sale, the team at mooandbaa.com for their design input, MacGregor Photography for their pre-sale photography and of course to Gerwyn and his team for their supreme effort in getting the cattle ready for sale.

Most of all we would like to wish all purchasers the very best with your new additions, may you have as much fun and success with them as we have had.

Harry and Lynwen

Reference to Sires

Over the years many bulls have been purchased and through out the buying process, much emphasis has always been put on the dam side of the bull. Al has also been used across the herd, utilising the best sires of the day in order to progress the herd.

MILBROOK VINTAGE was purchased on the same weekend as the Ballymoney herd for €30,000. His dam is the legendary Cannon daughter Milbrook Kathryn that bred so well for William Smith including the exceptional cow Milbrook Senhorita who was sold for €42,000, while his sire was the Jersey son Neron. Vintage left us with some very maternal females that always milked well and had great pelvic widths, making him a super female breeder.

SAPHIR was purchased initially as a half share from Alun Roberts' Hafodlas herd with us later purchasing the remaining half share. A fantastic character, Saphir showed great longevity ending his days last summer at 12 years of age. His stamp in the herd has been extreme length coupled with great milking ability and super muscle definition and has been used extensively on heifers due to his ease of calving. Saphir's daughters have bred bulls to 15,000gns, along with siring numerous high-priced weaned calves at the Hafodlas herd. He was also the sire of many show calf champions including Tecwyn Jones's Jagerbomb and more recently a son of his, Emslies Diehard, was the sire of the 2013 Agri-Expo champion for the Alford Family, Daddy's Big Bucks. Saphir was sired by the legendary Jacot, which makes him half brother to Requin, Rocky, Rossignol, Soleil, Paul, Snoopy etc.

HARSIDEAN NEW ARGOS was purchased at Carlisle for 8,800gns. A big upstanding son of Greenwell Ronick, Argos combined two great families within the Limousin breed - Birtles Daisy and the Chevorn family at Greenwell. Argos was male champion and reserve breed champion at the Royal Highland Show in 2008. Another great female breeder, he left females with great power and style and his daughters have bred bulls to 12,500gns with his own sons selling to 6800gns.

BAILEA BMW is the former "Black" record holder when he was purchased at Perth for 25,000gns when he was reserve intermediate champion. Both pedigree and commercial, his progeny speak for themselves. Sons have sold to 26,000gns with many trading at the 10,000gns mark. He combined the irresistible opportunity to buy into the Requin line that has bred so well for the Jones family at Bailea - including of course the superb 50,000gns Bailea Umandy – and his dam is from what we view to be the best Black female line in the World - Dutchess Olivia. BMW also has great figures of LM56.

PROCTERS CAVALIER was purchased for 28,000gns in 2008. He is by the 100,000gns Haltcliffe Vermont and out of the Daim sired Procters Prunella. The females out of Cavalier are big, stretchy, have great pelvic areas and are sure to make great cows. His sons have sold privately to a top of £6000.

DERRIAGHY ENFIELD is a powerful Cannon son out of a Nenuphar cow which was purchased jointly with the Anside herd for 22,000gns in Carlisle, October 2010 having won his class. First spied as a calf at Balmoral Show where he was reserve breed champion and junior interbreed champion while only 10 months old, he has gone on to breed well in both herds and there are some great calves sired by him throughout the catalogue. Progeny of Enfield have sold to 18,000gns for the Anside herd.

EMSLIES COLOSSUS was destined for the May 2009 Carlisle sales, but having damaged his shoulder shortly before the sale, we decided to retain him and use him carefully in the herd – this has proven to be one of the best decisions we made as he quite simply clicks with our females. Sired by the Dauphin son, Objat, he is out of the outstanding Ballymoney Nosiette, therefore, making him maternal brother to the fabulous Veronica. He is the unique package of performance and pedigree and possesses an un-rivalled set of figures with an overall EBV of LM62, making him number one Limousin animal in the UK herd book. He tops the combined figures for growth, muscling and ease of calving with a very high level of accuracy. One of his first sons, Emslies Galileo, was sold privately to Genus in 2013, while another two homebred sons Horny and Hendreron left their mark on the October 2013 bull sales at Carlisle and Stirling and his much admired first calf, Emslies Fuzzy, was unbeaten as a junior heifer in 2011. There are some first class daughters offered for sale today including the number one female in the UK herdbook for figures - Emslies Heledd (lot 71).

DUMBRECK EXCELSIOR was very much admired as a calf at a visit to David and Neil Work's Limousin herd. He is by the Sympa son Haltcliffe Underwriter and out of Ronick Tikka. Tikka was one of the outstanding "T" heifers when viewing the Ronick herd in 2004. His first calves show great promise being very stylish and easily calved they are sure to go on and please.

Other Service Sires

Dinmore Goldcrest

Goldcrest stood first in his junior class in Carlisle October 2012 and was purchased for 18,000gns off the back of his proven pedigree combining a leading sire in Ronick Hawk and the fantastic dam line of Dinmore Elle. With a impressive set of figures including a top 1% beef value of LM+45.

Emslies Frenchman

By the noted Vantastic out of one of our great French cows Ubonie, Frenchman sold in Carlisle February 2012 for 37,000gns to American buyers John Downs and Jerry Turner of the Southern Cattle Company, Florida. Due to USA health restrictions, Frenchman will never be exported to the States, but semen and embryos by him have been and he will continue to be used at home alongside Messrs Downs and Turner's breeding programme.

EMSLIES INFINITY is out of the 2010 Red Ladies Champion **Whinfellpark Ena** which was purchased for 14,000gns. **Infinity** has an impressive EBV of LM+48 which places her well into top 1% of the breed and is one of the first animals to come for sale out of the extreme-muscled French sire **Bolide**.

Emslies ET Calves from Oxygene x Emslies Aneira

This is an exciting combination that we have had much success with, **Oxygene x Tess** (with a dash of **Sympa** this time for an extra bonus).

Aneira breeds powerful cattle that always please and these calves are no different as they have excellent performance figures - top 1% for all three traits - muscle depth, 400-day growth and beef value.

EMSLIES GALAXY is a superb Black female from the Pennys Tess family. Her dam, **Curlywurly**, is full sister to **Emslies Celt**, who was Reserve Intermediate Champion at Carlisle and sold for 10,000gns. **Galaxy** was Junior Female Champion at the Stars of the Future in 2011.

EMSLIES GALAXY (Photographed 2012) - LOT 40

Leading Ladies -

*Feet - Functionality - Fertility -
Femininity - Figures*

These girls are still in the herd and are continuing to breed to the highest standard and produce progeny who we think highly of. Their longevity is a testament to the Emslies herd and the Limousin breed.

Ballymoney Veronica

Purchased privately in 2005, Veronica, a Highlander daughter out of Ballymoney Noisette, goes back to the fantastic French line Amoniac. She is a well framed, muscular cow with great female characteristics and has been shown successfully, being Junior Interbreed Champion at the Royal Highland Show as a two year old heifer and Reserve Champion at the Royal Highland in the same year. Her highlight came when she secured the interbreed championship at the 2009 Welsh Show with Eryl at foot. Many females in this catalogue are from this line and offer purchasers a proven breeding line of consistent quality.

Dam: Ballymoney Noisette

Wilodge Ritzy

By Manoir, Ritzy was the start of the Emslies herd when she was purchased for 20,000gns in June 2003. She's a powerhouse of a cow with immense natural fleshing, feminine characteristics and an ability to stamp her offspring no matter the sire. The catalogue includes some phenomenal relatives of Ritzy's including a full sister to the multi award winning Emslies Fuzzy. Her recent daughter Hltzy has been retained, as well as her eldest Uzzy, as we think so much of this line.

Daughter: Emslies Fuzzy

Our 5F's foundations

Pennys Tess

One of the top breeding females in the herd, Tess was bought at the White Rose Group sale in March 2004 for 5000gns. She is a great female oozing maternal characteristics and combines pedigree and performance in all the right places. Tess was unbeaten in the show ring during 2004 and 2005, taking firsts at the Royal Highland and Royal Welsh. Herself and daughters have produced bulls to a top of 10,500gns and breed true to form with any sire. A matriarch of the herd, daughters of Tess are a must, as this line will bring nothing but pleasure.

Heathlands Sweetheart

By Cockleshell Olympus, Sweetheart without a doubt lives up to her name. Purchased in 2003 at the Heathlands reduction sale for 5500gns, she is a granddaughter of the noted Greensons Gigolo. She has tremendous power and frame. She was shown twice taking second at the Royal Highland and first at the Royal Welsh, both in 2004 with a heifer calf at foot. She stamps daughters with power, style and great legs and feet.

Daughter: Emslies Erotic and dam of 12,500gns
Emslies Horny, Carlisle champion Oct 2013

Ronick Telma

By Bailea Olympia, Telma was purchased at the Ronick production sale in 2004 for 20,000gns. She was shown and stood first at the Royal Welsh in 2005, as well as taking the interbreed championships at Turriff and Banchory. Telma is a powerful natural fleshing female who has bred incredibly well for the herd. Her first heifer calf Emslies Alison, by Sympa, has been retained and like her mother is an incredibly powerful cow with great frame. Females from this line optimise our 5F's philosophy and won't disappoint.

EMSLIES GUERLAIN - What a heifer – this one is a top in Lynwen's favourites list. **Guerlain** is **Ubonie's** natural calf by the outstanding **Sympa** and is a fabulous prospect for the future. Full of breeding, she possesses sheer class with natural power, muscle and femininity in abundance and is maternal sister to the 37,000gns **Emslies Frenchman**, the first UK-bred Limousin bull to sell to the USA for 30 years. **Guerlain** sports an equally impressive beef value of LM+37 – she's not to be missed. Her maternal sister, **Givenchy**, also sells (lot 62).

FROZEN EMBRYOS

4 x GRADE A - Ballymoney Veronica x Wilodge Cerberus

World export eligible

What an opportunity to buy directly into the Veronica family. She is without doubt a show cow that breeds and this cross should be powerful. Cerberus has sired progeny to 38,000gns in the form of Ampertainne Foreman and we have a stunning heifer calf of this mating retained in the herd.

BALLYMONEY VERONICA

5 x GRADE A - Ubonie x Cloughhead Umpire/Plumtree Deus

World export eligible

Ubonie, bred from the Camus Huberson herd, has bred sons to 37,000gns when Frenchman sold to the USA in February 2012. This mating is the same cross as the 72,000gns Haltcliffe DJ (Umpire (or an Umpire son Deus) x Nenuphar cow). A sister to this mating is offered at lot 63, Emslies Guerlain, who we think a lot of.

UBONIE

4 x GRADE A - Pennys Tess x Emslies Colossus/Salomon These embryos are non-exportable.

Tess has been a wonderful breeder in the herd she has sold progeny to 10,500gns and we offer today a potentially explosive combination! Testament to Tess's consistency, the Winning Carlisle Three in October 2010 were three full-ET sons of Tess, the first time this had ever been done. We have always admired Salomon's progeny (see Duchess lot 11) and think this cross could work very well. With the other half of the sire choice, Colossus, the EBV potential of these progeny would be LM50+! See how Colossus has worked with members of the Tess Family in Heledd (lot 71) and Inxs the calf at foot of Elle (Lot9).

WINNING 'CARLISLE 3' FROM CARLISLE OCTOBER 2010

AUCTIONEER'S TERMS & CONDITIONS OF SALE

(Incorporating the Auctioneer's Terms and Conditions)

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
11. You have a right to know how we will use the information you have provided to us. We may share the information with other members of our group and may make this information available to relevant media groups and other interested parties on request. We and other members of the group may contact you by telephone, e-mail, post or fax to inform you of products or services available. If you do not want to be contacted for marketing purposes or do not wish your information to be made available to any other parties please notify us in writing.

**HEALTH AND SAFETY RULES
HARRISON & HETHERINGTON LIMITED
NOTICE TO ALL VISITORS AND TRADERS
PLEASE READ AND OBSERVE THE FOLLOWING**

All visitors and traders on site will be responsible for ensuring that they and their employees or sub-contractors engaged by them comply with all legal requirements, including the Health and Safety At Work etc., Act 1974, The Management of Health and Safety At Work Regulations, The Provision And Use of Work Equipment Regulations, etc.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows and sales: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.
