## **9) VEHICLE PARKS**

Parking space for livestock lorries will be provided near the Horse, Cattle, Sheep, Pig and Goat Lines, but vehicles will be parked under the direction of the Stewards and must not hinder the flow of traffic on avenues or roadways. ## **ENTRIES**

### **10) CHANGES TO THE PRINTED SCHEDULE**

Any changes to this printed schedule, including changes of judges, will be detailed on the relevant page of the Suffolk Show website at [www.suffolkshow.co.uk](http://www.suffolkshow.co.uk). Exhibitors are asked to check the site regularly for up to date information.

### **11) APPLICATION FOR ENTRY FORMS**

Entry forms may be obtained from the Livestock Office, Tel: 01473 707115 or can be downloaded from the website at [www.suffolkshow.co.uk](http://www.suffolkshow.co.uk). Please ensure that requests are made well in advance of the closing date.

### **12) CLOSING DATES**

A complete list of closing dates can be found at the front of the Prize Schedule. Late entries will not be accepted. Completed and correct entry forms must be submitted, together with the Summary Form and appropriate fees, by the date listed.

13) It is a condition of entry that all exhibitors' names and addresses will be printed in the Catalogue.

#### **14) MEMBERSHIP**

Membership is optional for all livestock and equine classes although Members and Vice Presidents receive a reduction on their entry/stall fees.

#### **15) ENTRY FEES**

A summary of entry fees can be found on page 10 of the Prize Schedule. The Association will not be responsible for entries received after the closing date and exhibitors and competitors are advised, therefore, to send their entries written-out correctly on SAA forms, along with the Summary of Entries Form and full payment, well before the official closing date, in view of the postal delays which occur. VAT is payable on all entry fees. **There will be a compulsory first aid charge of £2.50 per exhibitor.**

#### **16) CANCELLATION OF ENTRIES**

Entry fees are not returnable. If however, the Council shall subsequently refuse the entry or cancel any class or classes then such entry fees may be refunded at the discretion of the Council. The Association may refuse any entry, or cancel any entry already accepted, without any reason for doing so and reserves the right to refuse entries from any person who is under exclusion or suspension by any Breed, Livestock or Show organisation. Whenever under this Regulation an entry is refused or cancelled, or an exhibit is refused admission or removed, the fees paid for any such exhibit may, at the discretion of the Council, be refunded and, if refunded, shall be accepted by the exhibitor or intending exhibitor in full satisfaction of all claims against the Association.

#### **17) AMALGAMATION OF CLASSES**

If the number of entries received in any one class is less than three and the number of exhibitors is less than two per class, then the Association reserves the right to amalgamate these classes where possible or, if not, to cancel the class(es) and refund the entry fees.

#### **18) CONDUCT OF EXHIBITORS/ATTENDANTS & EXPULSION FROM SHOWGROUND**

Any act of discourtesy to any judge, steward, Show Official or Show Organiser on the part of the exhibitor, groom, rider, attendant, handler, driver or agent of an animal will, at the discretion of such official, disqualify that animal from being judged, in which case entry fees, prizes and charges will be forfeited.

The Honorary Show Director shall have the power to remove from the Showground the stock or property belonging to any exhibitor who shall infringe any of the regulations or conditions of the Show, or who shall refuse to comply with any instructions given by the Stewards.

Exhibitors will be held responsible for the behaviour of their employees and for any penalties imposed for misconduct.

#### **19) OWNERSHIP OF EXHIBITS**

Stock entered for the Show must be the bona fide property of the Exhibitor at the time of entry and must be catalogued and exhibited under that name. This does not prevent an animal being sold after entry, provided it is exhibited in the name of the person who entered it. An entry or entries may be submitted on behalf of an exhibitor by an agent but in no case can the agent be described as the joint exhibitor unless he or she is bona fide, the joint owner of the exhibit entered. In the event of the death of an exhibitor between the date of entry and the date of the Show, the executors of the deceased will be deemed to be the exhibitor.

#### **20) CORRECTNESS OF ENTRIES**

Please check registration documents before submitting entries; the names of animals given on the entry forms MUST be those that are registered with their respective Breed Societies and entries MUST be catalogued under the name of the registered owner. Catalogue proofs may be sent to Breed Societies to check.

Each exhibitor will be held responsible for the correctness of his entries and these must be made in a proper manner on the official and appropriate form, signed by the exhibitor or an authorised agent, and comply in every respect with these By-laws and conditions, and to be accompanied by the appropriate fee or fees as specified on the Summary of Entries form. The Association will not accept responsibility for the correctness of any pedigree or other particulars inserted in the Show Catalogue, although every care will be taken to ensure accuracy.

**21) NOMINATION OR SUBSTITUTE ENTRIES**

Nominations or substitute entries will not be accepted after the entry closing. Any person who has made an entry in any class and fails to exhibit shall forfeit all fees and charges paid.

**22) ABSENTEES**

For every animal, or pen of animals, entered for the Show and not exhibited, a fine of £5.00 will be imposed, unless the Secretary be properly informed beforehand that absence is caused by death, accident or disease of the animal or animals concerned. The amount of the fines so imposed will be deducted from the Prize Money, otherwise the exhibitor will be expected to pay the fine. In default the exhibitor's entries will not be accepted the following year.

**23) CHAMPION AND SPECIAL PRIZES**

A Championship award is for the best exhibit, or best male or female of one breed, exhibited at the Show and entry for a Championship Prize is automatic. No animal is eligible to compete for a Special or Championship Prize unless it is entered in another class for which an entry fee has been paid. No entry fee is required in respect of Champion or Special prizes.

**1st and 2nd prize-winners must, where eligible, parade for the Championship Prizes or they will be liable to forfeiture of their class prizes. In Inter-Breed Championships only champions will parade.**

**24) PRIZE MONEY**

Prize money offered relates to the number of entries catalogued in each class. See respective sections for details.

Cash prizes offered by the Association will be paid by cheque soon after the Show. Any outstanding accounts due to the Association will be set-off against any prize money or other amount owed to the exhibitor. All prize monies will be paid in the name of the Exhibitor under which the entry is made, they will not be made payable to a third party eg an agent.

The Association cannot accept responsibility for Special Prizes offered by Breed Societies.

**25) CUPS & TROPHIES**

The Association's Challenge Cups are offered subject to the winner giving a written undertaking to return the Trophy, at their own expense, in good condition at least fourteen days before the date of the next Show. All Cups and Trophies are fully insured by the Association. Cups/trophies will be engraved with the name given by the exhibitor on their entry form as their Catalogue Name (only one name per exhibitor). No other names will be accepted and alterations will not be made.

The Association reserves the right to prevent any cup or trophy from leaving the Association's premises.

Every effort will be made to engrave trophies during the Show for those exhibitors who wish to hold the trophy for the year. However, for those not engraved at the Show, they can either be collected from Thurlow Champness in Bury St Edmunds or sent to the winning exhibitor when they are ready.

Exhibitors are forbidden to have any cup or trophy engraved. Any exhibitor who ignores this ruling will be charged a substantial sum to cover the cost of restitution.

## **26) PARADES**

It is a condition of entry that all Heavy Horses and Cattle parade in the Grand Ring as indicated in the Programme or as directed by the Stewards, and any exhibitor or stockman who (without permission from the Steward of the section) is absent when called upon will be reported to the Council, who shall have the power to debar such exhibitor from showing at future Shows of the Association. **IMPORTANT:** Suffolk Horse and cattle exhibitors who do not appear with their horses in the Grand Parade on both days may forfeit their prize money and stabling/stall refund.

## **27) SMOKING**

Exhibitors MUST abide by the legislation banning smoking in enclosed public places – for further information go to [www.smokefreeengland.co.uk](http://www.smokefreeengland.co.uk).

Smoking by persons in charge of animals during judging or during parades/displays is strictly prohibited. Because of the risk of fire, there is also a strict no smoking policy in all equine/livestock accommodation areas.

## **28) DRESS**

Stock attendants in charge of sheep and pigs must wear white coats when leading animals in the ring during judging and parades. Stock attendants in charge of cattle must wear white coats or breed society uniform.

29) Exhibitors will be held responsible for the behaviour of their employees and for any penalties imposed for misconduct. All exhibitors of stock must be competent handlers. All livestock exhibitors must ensure supervision of livestock at all times whilst the animals are on the Showground.

## **30) JUDGES INTEREST IN ANIMALS**

Exhibitors are not permitted to enter an animal in any class which is to be judged by a person who has bred or has a financial interest in the animal. The onus on complying with this regulation rests entirely with the exhibitor. However, if through unforeseen circumstances, a judge has before him/her an animal which he/she has bred, owned, produced, had at livery in his/her yard or from which they have had financial gain, he/she shall place all the other animals in the class and shall then call in a referee judge to place the particular animal in question.

## **31) SUBSTITUTION OF JUDGES**

The Association reserves the right to substitute other judges for those mentioned in the Prize Schedule or make additional appointments without notification to Exhibitors and others. All entries are accepted on this understanding and there will be no refund of entry fees where substitutions are made. Notification of changes will be posted on the website at [www.suffolkshow.co.uk](http://www.suffolkshow.co.uk) and, should time permit, exhibitors may be informed in writing.

## **32) PRIZES AWARDED**

Judges are asked not to award any prize in classes in which the animals exhibited do not possess sufficient merit. Where there is only one entry shown in a class the Judges may award the 1st, 2nd, 3rd or 4th prize according to the merit of that entry.

## **33) JUDGES**

Judges are not to be spoken to by any ringside spectator or exhibitor during the time judging is taking place and the Stewards will be asked to stop this practice.

## **34) JUDGING ORDER**

Cattle, sheep, pigs and goats will be required in their respective Judging Rings in Catalogue order, as directed by the Stewards.

## **35) ROSETTES**

No animal will be allowed to wear or be displayed with any rosettes or ribbons other than those issued or awarded by the Association at the current year's Show.

### **36) PROTESTS**

In all cases of a disputed prize, the protest, in writing, shall be made to the Executive Director/Secretary within one hour after the class is judged. The Executive Director/Secretary shall immediately give notice to the person against whom it is made, and shall report the same to the Honorary Director and Stewards of the Section concerned who shall, if possible, decide the case before the conclusion of the Show, otherwise it shall be referred to the Council, the decision of either the Stewards or the Council to be final. When an objection is heard, both the objector and the person objected to shall have notice.

Any person or persons lodging a protest shall deposit the sum of £50.00 with the Executive Director/Secretary. If the objection involves testing for prohibited substances, the deposit required would be increased to cover the costs of sampling and laboratory examination. If, upon investigation, the protest is considered frivolous, the sum thus deposited shall be forfeited to the funds of the Association.

No member of the Council shall take part in the settlement of a disputed prize for which he is a competitor.

### **37) VETERINARY INSPECTIONS**

Veterinary Officers will be appointed by the Association and will be in attendance at the Duty Veterinary Officers' office at the rear of the cattle centre on the Showground should they be required by the Judges or should a protest be made respecting any animal. If the Veterinary Centre is not manned contact may be made through the Woodward Centre during opening hours or via the Main Entrance Security personnel overnight.

Animals will not be subject to a veterinary inspection on the Showground except when considered necessary by the Judge or unless otherwise stated in the Prize Schedule or legislation.

The Honorary Director or any Senior Steward shall have the power to call a Veterinary Officer to examine any animal in the Showground and an Exhibitor shall be liable if an animal he has sent to the Show shall, to his knowledge, be suffering from any infectious or contagious disease and this may result in legal action.

**No animal under sedation will be admitted.** Any animal sedated on the Showground must be transferred home.

### **38) VETERINARY CHARGES**

Exhibitors are liable for any costs incurred from treatment carried out by the Show's Veterinary Officers.

In the event of death of an animal the costs associated with the disposal of the carcase are the responsibility of the exhibitor.

### **39) ISOLATION**

The Association's Veterinary Officers or those appointed by DEFRA are authorised to exclude or place in isolation any animals which, in their opinion, are exhibiting any symptoms of contagious or infectious disease, or any other condition which they consider warrants its exclusion or whose identity cannot be adequately established. In such event, a certificate recording the findings of the Inspector shall be handed to the person in charge of the rejected animal(s).

Each exhibitor of livestock shall be responsible for payment to the Association for costs incurred as and for liquidated damages for any animal sent for exhibition which has to be placed in isolation because it is showing signs or symptoms of contagious or infectious disease, or any form of disease likely to prove dangerous to other animals.

Exhibitors are responsible for ensuring in the event of the area from which entries are to be conveyed to the Show being declared a Movement Prohibited Area, that such entries are not sent for exhibition.

#### **40) EMERGENCY VETERINARY TREATMENT**

It is a condition of entry that the Association's Veterinary Officers may on their own authority give to any animal such emergency treatment, at the cost of the exhibitors, as they may consider appropriate in the event that the owner or his/her representative cannot immediately be found.

Owners shall be responsible for the costs of transportation for additional treatment if necessary.

#### **41) MISUSE OF DRUGS**

The Association prohibits the administration to Show exhibits of tranquillisers and other substances which may in any way affect the performance of the animal in question or have the effect of making it behave in the Show Ring in a manner which is not natural. Any exhibitor (or his/her representative) who is found to have administered or permitted the administration of any such substance to any show exhibit will be dealt with at the Association's discretion. In addition, the matter will be referred to the appropriate Breed Society or Organisation.

Exhibitors must not bring tranquillisers/sedatives on to the showground.

The Association reserves the right for any appointed Veterinary Officer to take any necessary samples for subsequent analysis from any animal exhibited at the Show.

#### **42) HEALTH & SAFETY REGULATIONS AT AGRICULTURAL SHOWS**

In accordance with the Health & Safety Legislation, all livestock exhibitors/stock attendants and equestrian exhibitors/competitors/grooms must comply with the above.

Exhibitors need to be aware that this is a busy agricultural Show with large crowds and traditional displays performing throughout the Showground; total segregation from both the general public and noisy attractions cannot, therefore, be guaranteed.

If an exhibitor has a nervous or highly strung animal he should consider whether it is prudent for him to risk bringing this animal to a busy agricultural Show.

The Show environment can be upsetting for horses and livestock, even those of a normally placid temperament. Horses or livestock with unstable or aggressive temperaments must not be brought to the Showground.

When in the opinion of the Association's Officers, the Police, the Health & Safety Executive or other competent authority an animal's behaviour poses an immediate threat to life and limb of people in its immediate vicinity the Association reserves the right to instruct an authorised person to mitigate such threat in such a manner as shall to that authorised person seem appropriate, not excluding the humane destruction of the said animal and by exhibiting at the Suffolk Show exhibitors are deemed to authorise such person or persons to so act.

Exhibitors by exhibiting at the Suffolk Show acknowledge and agree that the Company, its employees, servants and agents shall not be liable for any such matters as are referred to in this By-law and in particular but not by way of limitation that the Association shall not be liable for any loss or damage (whether direct or indirect or consequential) suffered as a consequence of the Association instructing such person or persons as are referred to above. Further, each exhibitor by exhibiting at the Suffolk Show hereby indemnifies and agrees to indemnify the Association, its officers, agents and employees from and against any and all liability, claims and costs which result therefrom.

#### **43) BIOSECURITY**

The Suffolk Show is licensed by DEFRA and has a Biosecurity Officer whose job is to make sure that the rules are followed.

All livestock vehicles must enter and exit the Showground via Entrance 12 where cleansing facilities for the wheels and exterior of the vehicle are available.

Exhibitors must follow instructions given to them by the Show Organisers, Stewards, Officials and the Biosecurity Officer. In particular, before leaving any animal area, exhibitors must cleanse and disinfect their footwear if it is contaminated with animal excreta and dispose of disposable clothing or change any contaminated clothing.

Exhibitors are also asked to keep the walkway beside their animal(s) as clear from all bedding, used feed or animal excreta as possible.

Livestock to remain in the accommodation areas/buildings except for the purpose of going to the Judging or Grand Ring or upon leaving the Showground.

Before leaving the Showground, exhibitors should clean and disinfect their footwear, clothing and any equipment. Vehicle wheels will be cleansed of any visible contamination at the exit point (Entrance 12).

Livestock must be unloaded and re-loaded in the designated areas and not walked through the livestock vehicle parks.

#### **44) LIMITING THE NUMBER OF PENS/STALLS**

The Association reserves the right to restrict the number of pens/stalls allocated, in which case a refund will be made of the relative fees.

#### **45) ARRIVAL & DEPARTURE TIMES FOR LIVESTOCK**

All livestock vehicles must enter and exit the Showground via Entrance 12. This entrance will be open from 6.00am until 10.00pm on Tuesday, Wednesday and Thursday.

##### **The EU Welfare of Animals in Transport Regulation (EC) No 1/2005.**

All exhibitors must ensure that they comply fully with the current legislation issued by the Department for Environment, Food & Rural Affairs regarding the above Transport Regulation which came in to force in January 2007 and are able to provide the appropriate documentation at the Show to the relevant governing authority.

##### **For the purposes of this article, mammals shall not be considered fit for transport if they**

- (a) are unfit animals (see DEFRA website Annex 1 Chapter 1 of Council Regulation 1/2005).
- (b) are pregnant female animals that have reached the latest stage of gestation (within 10% of the estimated time of the gestation before birth) and for a period of one week after giving birth.
- (c) are very young animals except if the journey is less than 100km, eg calves of less than 10 days of age, pigs less than 3 weeks of age and lambs of less than one week.
- (d) calves of less than 14 days of age on journeys exceeding 8 hours will not be permitted.

#### **CATTLE**

##### **47) ACCOMMODATION**

Cattle, including Commercial Beef, will be stalled in covered shedding with timber head boards and tie rings. Should the level of entries demand it, temporary, canvas covered stalling may be used. A charge of £25.00 inc VAT (Members) and £48 inc VAT (Non-Members) will be payable for each stall for the duration of the Show. Exhibitors requirements, based on the anticipated number of cattle forward at the Show, and spare stall(s) for fodder (if required), to be stated on the Summary Form submitted with the entries. No refund will be allowed on stalls subsequently not required through cancellation of entries or any other reason.

Power washers using high water pressure must not be used.

**54) BULL HANDLING**

The Health and Safety Executive have issued Notes of Guidance on the subject of Bull Handling, available at [www.hse.gov.uk](http://www.hse.gov.uk). This Association feels that it is its duty to draw these to the attention of any exhibitor bringing a bull to this Show, as well as to Judges, Stewards, visitors and the staff of the Show.

- All bulls must be fitted with a nose-ring and must be attended at all times whilst the Show is open to the public. In the interests of safety, all bulls must be controlled at all times on the Showground through one of the following handling methods:
- Two people, one using a bullpole attached to the bull's nose-ring and the other using a rope or chain attached to the halter or head chain via the nose-ring.
- Two people both using ropes or chains, one rope or chain attached to a halter, the other either attached directly to the nose-ring or via the nose-ring to the halter.
- One person using a bullpole attached to the bull's nose-ring and a rope or chain attached to a halter, or head chain, via the nose-ring. Make sure there is a competent person standing by to help control the bull if necessary.

**55) FIXING/TAMPERING**

Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is in the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize, and any prize awarded prior to discovery will be forfeited. The Instigator or The Owner of the said animal may be prohibited from again entering Stock for any of the Association's Shows, for such period as the Council may see fit.

For the purpose of this Regulation, the term 'improper practice' shall be held to include setting of teats, and generally any other practice including tampering or of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state, and the Association reserves the right to have all animals inspected by the Association's Veterinary Officers, either prior to, during, or after judging.

The Association will not tolerate the administration to show exhibits (entered either for competition or sale/demonstration) of tranquillisers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural. The Association reserves the right to take any necessary samples. Any Person or Exhibitor (or his representative) who is found to have administered or permitted the administration of any such tranquilliser or drugs to any Show exhibit will be reported to the Council and dealt with at their discretion. In addition the matter will be referred to the appropriate Breed Society or Organisation.

- To follow the instructions of sheep stewards at all times;
- If it is suspected that the MV accredited status of a sheep/goat has been compromised, to inform the Steward and Association Veterinary Officer so that the appropriate action can be taken in liaison with the Sheep and Goat Health Scheme Veterinary Advisor.
