AUCTIONEER'S FOREWORD

I asked Gill and Barry to write a foreword for their catalogue; what I received was typically very modest and completely inadequate for what the Heald's and The Coachhouse herd have achieved!

I therefore pen a few words which I hope does this herd justice.

I first met the Healds in the very early 90's when they sold home bred Limousin and Blue Limousin finished cattle in Newark, regularly topping the Market with proper butcher's cattle.

Gill tells the story that 17 years ago she had an old Audi Car and after several visits to dealers she was so disgusted by the trade-in price that she instead went to Carlisle and purchased some Pedigree Females and kept the old car!!!

That was the start of the *Coachhouse Herd*, several visits later more Pedigrees arrived at Coachhouse and the commercial cross-breds were phased out and Pedigrees over took the unit. The last female acquired by the Healds was in November 2000.

The plan was to build The Herd to 100 Pedigree Breeding females, however Barry being Barry every time it came to selecting heifers he liked them that much he couldn't bear to sell them so consequently the herd grew to 150 Breeding Females.

The time has now come to reduce the numbers and it is with heavy hearts that the Heald's stage this sale in full knowledge the cattle are of excellent quality and full of breeding performance. They will go on to do well wherever they may go.

The sale includes all of last year's heifer crop without the late Autumn born heifer which will be sold at the April Limousin day here in Newark next year. (2016)

On a personal level I would sincerely like to thank the Heald's for their support over the years, here in Newark. We started The Limousin Day in April 2003 on behalf of the East Midlands Limousin Breeders club. Every sale we have held The Coachhouse Herd has sold both Males and Females, winning countless Champions and featuring in the Top Prices on many occasions. Indeed this year the Heald's took both Male and Female Champion - A true statement to the quality and effort they put into their Herd.

Over the years our own Company Gascoine Ltd have purchased five bulls from the Heald's herd which have done an excellent job in our commercial herd, and also many of our clients here in Newark run Coachhouse Bulls which speaks for itself!!!

All this could not have been possible without some very sound purchases.

In October 2000 The Healds made a very sound choice namely **Haltcliffe Picasso**, digging very deep and securing him for the Top Price on the day. My own opinion of him? *The top bull of his Generation!!!* Most bulls improve your cattle by stage if you're lucky however **Picasso** improved Coachhouse by at least three in one jump!!!

Overthwaite Crackerjack was next purchased at 16,000gns jointly with the BAILEA herd of Brian Jones, sired by **Cloughead Umpire** he sired **Coachhouse Frontline** 12,000gns **Coachhouse Forrester** 7000gns and the Newark record April sale **Coachhouse Hellibore** 8500gns to Charlie Boden of the Sportsmans Herd.

Another sound choice was in the name of **Mereside Daytona** (EBV 49) sired by **Objat** and out of the fabulous breeding cow **Mereside Binky**, **Daytona** was very much fancied and sold prior to auction. His progeny includes **Coachhouse Heidi** (7000gns), **Coachhouse Hathaway** (7000gns), **Coachhouse Gregor** (6000gns) and the female Champion April 2015 **Coachhouse Ibiza** (4200gns) all sold in Newark.

HEALD PLUS GUEST CONSIGNERS

Then at 15,000gns **Rachels Ferrari** was purchased at Carlisle. Sired by the legendary **Mas Du Clo** and out of the best breeding cow at **Rachels, Rachels Tulip**, she was an inspired decision with the first nine daughters sold in Newark at 12-14 months old averaging £3,068. **Ferrari** has an EBV of 48.

Other purchases along the way include **Bailea Ulsterman** purchased at Carlisle for 11,000gns his progeny include the highest price achieved at auction by Coachhouse for **Coachhouse Duke** at 13,000gns and at the same sale **Coachhouse Donald** sold for 9,000gns.

Homebred bulls also left a massive impact on the herd with **Coachhouse Virgil** (EBV46) sired by **Fedney House Nelson**, he sired **Coachhouse Goldenboy** (7,000gns) **Coachhouse Casper** (6,000gns) **Coachhouse Ivanhoe** (5,200gns) and **Coachhouse Detail** (5,000gns).

Then there was the extreme muscled **Coachhouse Amos** sired by **Sympa** out of **Tinsel a Picasso** daughter. He sired **Coachhouse Delectable** (6,500gns) and many more.

Coachhouse Bingo sired by **Goldies Necho** with progeny includeing **Coachhouse Fletcher** 5,500gns. **Coachhouse Eebygum** (EBV 43), sired by **Coachhouse Virgil** and out of a **Sympa** cow (**Anette**) an outstanding pedigree includes **Haltcliffe Hercules**, **Ronick Hawk**, **Rake Terence** and **Neutron**.

A more recent purchase is **Ronick Inspire** (EBV 43) who was purchased in May 2014 for 13,000gns and his calves are showing great promise.

The Heald's have embraced the Best of Genetics, Performance and Health Schemes.

We wish them well for the sale, the cattle are like the folk- exceptionally genuine- they will give great pleasure where ever they go.

I thoroughly recommend them to you and we look forward to seeing you in Newark on July 4th 2015.

Barry, Gill and Matthew in their 'modest' foreword thanked Newark Livestock sales for their efforts, but the thanks are all ours for the support over the years and for today's instruction.

COMMERCIAL COWS WITH CALVES AT FOOT

Thank you for taking the time to read this. We have endeavoured to breed the kind of cattle we like to have by us, and to this end have never been backward in buying the best bulls we can afford. All bar one of the cows is home bred (Lot 140), by our Blue, Limousin or Blonde bulls. All the calves are by **Tamhorn Formidable** or **Hunters Hall Rambo** (a **Rossignol** son). The Autumn Calvers have been scanned and the Spring Calvers have been laid with **Tamhorn Formidable** who is proving a marvellous servant to us, with only two slightly assisted calvings in two years. We have been really blessed with these cattle and we pray that whatever homes they find on the day they will be a blessing there also.

Regards Nigel Butler
