**Auctioneers: J J Morris 01994 240665 / Gareth Thomas 07812 127824**

It's been a hard decision to make, but having put the farm on the market the Gronw herd is now to be dispersed.

It was founded in 1990 with the purchase of a heifer with calf from Mr and Mrs Leslie Thomas of the Drysgol herd. With selective buying and breeding it has developed into the herd it is today. It is run very commercially, the cows housed in cubicles over the winter and fed silage only.

Over the years it has been successful at local shows as well as the Royal Welsh. Also at Society sales at Carlisle and Brecon where high prices have been achieved. In 2017 it was judged Best Large Herd in the South Wales

& Mid West Club's Herd Competition Herd health has always been a very important consideration at Gronw and we are currently Johnes Level 1, BVD Accredited and routinely vaccinating for BVD and Lepto. All the cattle forward were TB tested on 22-10-2018.

We welcome you to the sale and hope that the purchasers have as much pleasure from owning these animals as we have had, having gained numerous friends within the breed over the years.

Our Thanks go to everybody who has helped in any way in preparing for the sale.

*John & Heather*
