**BIO SECURITY RULES**  
**HARRISON & HETHERINGTON LIMITED, BORDERWAY MART, CARLISLE**  
**Notice to all Visitors and Traders**

**Please read and observe the following:**

- Excessive dirty vehicles will not be allowed entry, therefore ensure vehicle is clean before arrival.
- All vehicles transporting livestock will be subject to a documentation check before entry to market site.
- All visitors and traders must ensure they wear clean clothing and footwear before entering market site.
- All visitors and traders using car park areas please use main entrance.
- Hauliers and farmers delivering livestock must disinfect their boots before and after loading or unloading.
- Livestock purchased or unsold will not be allowed to move unless an authorised "pass slip" has been issued by the main office.
- No livestock will be allowed to remain on the premises after a sale.
- Only staff, livestock hauliers, owners or their agents are permitted to load or unload livestock.
- Wash hands thoroughly when leaving pennage areas.
- Please observe our staff's instructions at all times.

**Our on site Biosecurity Officer, Stuart Graham, will only be too pleased to give you assistance.**

## General Information & Sale Notes

**LOCATION:** The Sale will be held in the Borderway Mart, Carlisle Cumbria. Motorists should leave the M6 at Junction 43 and follow CARLISLE signs. The market is on the left hand side of the road within 1/4 mile of M6.

### Timetable of Events:-

<b>Thursday 12th December</b>	Arrival of Stock	12 noon - 3pm
	Inspection of Stock	1pm - 4pm
	NWLCBA Borderway Babes Calf Show and	
	YLBC Young Handlers Show	5pm
	Mart closes and gates are locked	10pm
<b>Friday 13th December</b>	Judging of Red Ladies & Weaned Calves	8am
	Sale	11am

**HOTELS:** There are many hotels within the area, ranging from four star to excellent Bed and Breakfast accommodation, a list of which may be found on page 4 of the catalogue.

**CONDITIONS OF SALE:** This sale is held under the British Limousin Cattle Society's Auction Sale Rules and subject to recommended Conditions of Sale of the National Beef Association (NBA). This sale is held subject to these rules and the Auctioneers' General Conditions of Sale, both of which are available on request. In the event of any discrepancy between the two sets of conditions, the NBA Conditions of Sale shall prevail

**INSURANCE:** A representative of the Auctioneers Insurance Brokers, will be present at the sale and will be pleased to quote Purchasers for transit and other risks.

**METHOD OF SALE:** All cattle will be sold in guineas (105 pence) and strictly in catalogue order, unless any alteration is announced by the Auctioneers.

**COMMISSIONS:** The Auctioneers will dutifully execute commissions to purchase for buyers unable to attend the sale personally, upon receipt of written instructions.

**REGISTRATIONS:** All stock in the Sale are registered with the British Limousin Cattle Society. (Tel 02476 696500).

**PEDIGREE TRANSFERS:** Official Pedigree Transfers will be effected by the Auctioneers and the British Limousin Cattle Society as soon as possible after the Sale. Full Pedigrees will be transferred free of charge to all members.

**SETTLEMENT AND CLEARANCE OF STOCK:** Settlement in full is due immediately at the close of Sale. No animal may leave the Sale Premises without an official 'Pass Slip', obtainable only from the Auctioneers upon settlement.

**ANIMAL WELFARE:** Vendors and Purchasers should note the CODE OF PRACTICE published by the Livestock Auctioneers' Market Committee for England and Wales IS OPERATIVE IN BORDERWAY MART and that weakly, unhealthy or injured stock will be refused entry by the Auctioneers. Enquiries should be directed through the market office to the Auctioneers' ANIMAL HEALTH & WELFARE OFFICER (Mr Andrew Templeton).

## THE BRITISH LIMOUSIN CATTLE SOCIETY

Concorde House, 24 Warwick New Road,  
Leamington Spa, Warwickshire CV32 5JG

Tel: 02476 696500 • Fax: 02476 696716

## Important Notice to Vendors

**ARRIVAL OF STOCK** - As per timetable of events (page 6).

**CATTLE PASSPORT DOCUMENTATION** – it is essential that all Cattle Passports and a completed Declaration Form accompany the animals to the sale premises and handed to the Auctioneers upon arrival to the market. Any animal not in possession of the required documentation will not be offered for sale.

**PRE-SALE INSPECTION:** All animals entered for the sale must be available for inspection, as per the timetable of events. A Veterinary Officer will examine all animals forward for general health and genetic defects, particularly teeth, eyes, testicles and udders. Appointed Society Inspector will check general conformation, locomotion and breed characteristics and temperament. Any animal discovered with a genetic fault, disease or disorder will be **REJECTED**. Animals will be placed in a crush for this inspection - as required by the Veterinary Officer. The Veterinary inspection will form an integral part of the pre-sale inspection procedure.

Please note - "All animals are subject to a pre-sale inspection to provide a minimum standard and animals are sold with all patent defects, and any subsequent claim after the fall of the hammer is against the vendor and not The British Limousin Cattle Society Ltd".

**EVERY ANIMAL** entered for the **RED LADIES DERBY SECTION**, **MUST BE ADEQUATELY TRAINED TO LEAD BY HALTER** and **MUST BE PARADED FOR INSPECTION** unless exempted by the Stewards, at the time and place to be notified. Evidence of faults of temperament, vices, etc., may lead to disqualification. All animals must be provided with a serviceable halter, which will become the property of the purchaser.

**UK TAGS** - All cattle entered for the Sale will have their UK tags examined as an integral part of the pre sale inspection procedure. Any tags found to have faulty, incorrect or illegible, will be **REJECTED** from the Sale. Vendors are therefore urged, in their own best interests, to examine the UK tags of Sale cattle before the animal(s) leave their farm, so that faulty tags can be rectified in accordance with the required Society procedures.

The Sale will be held subject to the Auction Rules, Conditions of Sale and Special Regulations of the British Limousin Cattle Society.

The full auction rules of the BLCS can be viewed in the Society's Byelaws and on the website [www.limousin.co.uk](http://www.limousin.co.uk). A paper copy can be made available upon request to the BLCS office.

The proceeds of sale are guaranteed by the Auctioneers, who will account to Vendors on the day of the Sale. Such guarantee, however, does not extend to the animals sold for export, to which special conditions apply.

**UPSET PRICES** - **RED LADIES DERBY** - There will be an 'Upset' price of 800 guineas on each female presented for sale - i.e. if no opening bid of 800gs is received for any particular lot, that lot will be passed out of the ring unsold.

**RESERVE PRICES:** Vendors shall have the right to refuse to accept the final bid for their animals. The auctioneers reserve the right to charge half commission on the amount of the final bid in the case of animals which fail to reach the Vendors reserve price.

All animals will be sold in guineas (105 pence) and a commission of 5.2% will be charged by the Auctioneers on all sales. A further levy of 1.5% will be charged and paid to the British Limousin Cattle Society. No animal may be sold privately before being passed through the auction ring and **FULL COMMISSION** will be charged on the sale of any animal sold by private treaty after the auction. All such transactions **MUST BE PASSED THROUGH THE AUCTIONEERS OFFICE**.

**PRIZE MONEY:** will be withheld unless the winners are sold, either by auction or private treaty.

**STRAW:** A limited amount of bedding straw will be provided by the Auctioneers free of charge. Additional straw, if required, may be purchased from the Auctioneers.

## VENDORS' INDEX

The pedigree, performance, DNA, health information and footnotes included in Society sale catalogues is as supplied by, or on behalf of the vendor. The responsibility for the accuracy of the information therefore rests solely with the vendor and not with the British Limousin Cattle Society Ltd (BLCS). It should be noted that the Estimated Breeding Values for all animals change over time, as new performance records come available. While the BLCS and Genesure Ltd seek to ensure that the information contained in catalogues is accurate at the time of printing in accordance with their terms and conditions, no warranty is given in respect thereof by the BLCS and, to the maximum extent permitted by law, the BLCS shall have no liability for any loss, damage or injury howsoever caused (including that caused by negligence) or suffered directly or indirectly in relation to information and opinions contained in or omitted from this publication. Genesure Ltd's liability is limited to the extent set out in its terms and conditions (a copy is available from the BLCS office upon request).

**WILODGE OELOUTTE** was unassisted at birth, her pedigree combines style, size and shape producing genetics. **Wilodge Elouette** (*dam*) has exceptional length with the “**Van**” style and power, enhanced by strong maternal traits especially milking ability from **Toubib**, a **Cesar** son. This flush produced 7 full sisters, to join 1 natural. Hence 3 have already been sold including 2 in May 2019 for 4500gns and 3000gns. Further information on Wilodge Facebook page.

# EMBRYOS

LOT Garry Patterson

**1001- 4 EMBRYOS** (stored at Paragon)

**Sire:** ERNEVALLEY INVINCIBLE IE121695740269 (by Sympa)

**Dam:** CLARKTON EVELYN MHK09-022 (by Burnbank Buster)

**CLARKTON EVELYN** (*dam*) was a very consistent breeder with great milk. Her calves have sold to 6000gns. **Ernevalley Invincible** (*sire*) was a tremendous well bred bull combining **Sympa** and **Wilodge Vantastic** and was very easy calved.

LOT Garry Patterson

**1002- 2 EMBRYOS** (stored at Paragon)

**Sire:** GOLDIES NORTHSTAR GS17-1738 (by Goldies Juggler)

**Dam:** AULTSIDE LUSCIOUS PLQ15-887 (by Wilodge Cerberus)

**AULTSIDE LUSCIOUS** (*dam*) is a tremendous young cow by **Wilodge Cerberus** and the great breeding cow **Spittalton Flush** making **Luscious** a full sister to 55,000gns **Aultside Hulk**, Reserve Supreme Champion Carlisle May 2014, 65,000gns **Aultside Meanmachine** Supreme Champion and top price Carlisle Feb 2018, 18,000gns **Aultside Mystique** Red Ladies Derby 2017, also maternal sister to many other five figure cattle. **Goldies Northstar** (*sire*) was purchased for 14,000gns Oct 2018 and is proving to be a very easy calver with calves showing great potential.

LOT Garry Patterson

**1003- 1 EMBRYO** (stored at Paragon)

**Sire:** FOXHILLFARM JASPER AGX14-034 (by Loosebeare Fantastic)

**Dam:** SPITTALTON FLUSH BKY10-028 (by Hargill Blaze)

This is a very rare opportunity to purchase an embryo by the great **Spittalton Flush** who has bred numerous five figure calves to a high of 65,000gns. This combination of this breeding has already seen two bulls sold for 10,000gns and 12,000gns and a cracking young heifer who will be retained in the herd.

LOT Garry Patterson

**1004-1 EMBRYO** (stored at Paragon)

**Sire:** RONICK HAWK DY92-026 (by Broadmeadows Cannon)

**Dam:** SPITTALTON FLUSH BKY10-028 (by Hargill Blaze)

This is a very rare opportunity to purchase an embryo by the great **Spittalton Flush** who has bred numerous five figure calves to a high of 65,000gns. This combination of this breeding has only produced two calves so far, one was 16,000gns **Aultside Overdrive** sold Red Ladies Derby 2018 to Gunnerfleet Limousins and the other is a tremendous young heifer who will be retained in the herd.

LOT Garry Patterson

**1005- 3 EMBRYOS** (stored at AB Europe)

Sire: **AULTSIDE HULK** PLQ12-455 (by **Wilodge Cerberus**)

Dam: **TRUEMAN HALLELUIA** SLN12-001 (by **Wilodge Vantastic**)

**TRUEMAN HALLELUIA** (*dam*) is a very good breeding cow with great milk, sired by **Wilodge Vantastic** and out of a tremendous **Ronick Hawk** cow. **Aultside Hawk** (*sire*) won Reserve Supreme Champion and sold for 55,000gns May 2014 and has been breeding very well. **Hulk** is full brother to 65,000gns **Aultside Meanmachine** Supreme Champion and top price Carlisle Feb 2018.

LOT AK & JK Smith

**1006- 2 GRADE A EMBRYOS** (stored at the Drove Vet Hospital – no release fee)

Sire: **IONESCO** or **LOOSEBEARE FANTASTIC** (mixed flush)

Dam: **BREIZIZEL** 29-42-852-409 (by **Neuf**)

**BREIZIZEL** (*dam*) won French National Champion 2010 and Dutch National Champion 2011. She has bred very well for the Smithy herd producing many show winners. Gdam to **Smithy Olympia** (Lot 19).

**LOTS 1007 - 1010** - This is an exclusive and rare opportunity, a major herd first as the following embryos from Wilodge are offered for sale.

LOT Wilodge

**1007- 2 EMBRYOS** (stored at Leonard, Lambert & May – no release fee)

Sire: **GRAHAMS LORENZO** GV15-882 (by **Claragh Franco**)

Dam: **WILODGE DIAMANTE WEY08-020** (by **Wilodge Vantastic**)

These embryos will be full siblings to 12,000gns **Wilodge Naturelle** Red Ladies Derby 2018. No semen and/or embryos have ever been released from Wilodge from **Grahams Lorenzo** or out of **Wilodge Diamante** who is the present herd's most treasured female. **Diamante's** progeny have been top notch within both the show and sale rings and in performance within other herds. Her eldest retained, ultimate powerhouse of a female, **Wilodge Heaven** is a further major herd asset.

LOT Wilodge

**1008- 2 EMBRYOS** (stored at Leonard, Lambert & May – no release fee)

Sire: **POWERFUL IRISH** IE121704080130 (by **Haltcliffe Dancer**)

Dam: **WILODGE DIAMANTE WEY08-020** (by **Wilodge Vantastic**)

Full siblings to bulls **Wilodge Livenletdie** and **Wilodge Livinitup** sold in May 2017 for 13,000gns and 10,000gns also to the greatly admired and highly successful show heifer **Wilodge Larimar**, whose retained full sisters are **Wilodge Lazuli** and **Wilodge Littlegem**, the dam of 5500gns **Wilodge Officer** October 2019. She is also the dam of Wilodge sale entries, **Wilodge Optimiss**, **Wilodge Onica** and **Wilodge Prizegem**

LOT Wilodge

**1009-2 EMBRYOS** (stored at Leonard, Lambert & May – no release fee)

**Sire:** GERRYGULLINANE GLEN IE272503020029 (by Machermore Augustus)

**Dam:** WILODGE DIAMANTE WEY08-020 (by Wilodge Vantastic)

Full siblings to 60,000gns **Wilodge Lookout**, Overall Champion May 2017. **Gerrygullinane Glen's** (sire) progeny from within **Wilodge include**, first two sons sold at Welshpool Limousin sale May 2016 6500gns **Wilodge Jagameister** to Fleethill herd and 6500gns **Wilodge Jetsetter** to Loosebeare Herd. 10,000gns **Wilodge Navigator** sold May 2019 and **Wilodge LJ** sold privately to the Goldies Herd. **Wilodge Diamante's** first born progeny were 27,000gns **Wilodge Flawless**, 10,000gns **Wilodge Formulaone** and the retained, **Wilodge FM**.

LOT Wilodge

**1010- 2 EMBRYOS** (stored at Leonard, Lambert & May – no release fee)

**Sire:** WILODGE VANTASTIC WEY04-037 (by Wilodge Tonka)

**Dam:** HAZELHEAD ANNIE HGL05-007 (by Sympa)

Two full siblings to these embryos are **Wilodge Fastrac**, who after major showing success during 2012, including RWAS Limousin Champion Male and Reserve Overall Supreme and ILC Overall Reserve Senior Male Champion, was sold privately for in excess of £50,000. 10,000gns **Wilodge Joskins** sold to Dovea Genetics when Overall Champion Brecon Limousin sale May 2015. The retained full sister **Wilodge Lannie** is, as with all of **Hazelhead Annie's** daughters, hugely rated within Wilodge. Only two Wilodge daughters ever sold from **Annie**, 8000gns **Wilodge Gracie Wilodge** heifer production sale 2012 and **Wilodge Justabeaut**, who featured in Cogent's bull brochure as a baby calf and exceptional example of **Glen's** progeny. **Justabeaut** was sold privately as a foundation female for Ben Maskell and Sarah Lisney's Woodfield herd.

1. Birth Type

‘Got by AI’ indicates whether the calf was a result of an AI service. If blank, the dam was naturally served. ‘Natural calf’ indicates the calf was born to its biological dam. ‘ET calf’ indicates the calf was born as a result of embryo transplant.

2. Myostatin

“Not tested” indicates that no Myostatin test is currently available for the animal. Full details on the Myostatin variants and their effects on performance can be found on the Limousin Society website [www.limousin.co.uk](http://www.limousin.co.uk), search in ‘performance programmes’.  
In summary:

The Variants:

F94L	Animals with two copies of this gene (ie F94L/F94L) exhibit an increase in muscling (by up to 19%) with <b>no</b> associated increased in calving difficulty, lowered fertility or longevity and by far the majority of animals in the breed carry this gene. Heterozygous animals (those with one copy of the gene) also exhibit these characteristics but not to the same degree.
NT821	Animals with two copies of the gene (ie nt821/nt821) will exhibit characteristics of larger loin depths, reduced fat depths and large, rounded rump and thighs. However, unlike F94L, animals with two copies may also have slightly heavier birth weights bringing with it the potential for more difficult calvings. If animals are ‘heterozygous’ with F94L (ie F94L/nt821) they will still exhibit quality carcase characteristics but are less likely to be affected by more difficult calvings.
Q204X	Animals with two copies of the gene (ie Q204X/Q204X) will exhibit characteristics of larger loin depth, reduced fat cover and greater meat tenderness. However, they may also have the potential to exhibit larger birth weight and, if females, slightly reduced milking ability. Animals that are ‘heterozygous’ with F94L (ie F94L/Q204X) will still exhibit quality carcase characteristics but are less likely to be affected by larger birth weights and reduced milking ability.

Two further variants of Myostatin exist in the population but are relatively uncommon in their occurrence. Known as nt419 and E291X, their effects are similar to nt821 and Q204X respectively.

The recognised benefits of Myostatin are:

- ✓ **Increased Meat Yield** – by up to 19%.
- ✓ **More feed efficient**
- ✓ **Higher meat quality** – increased tenderness, reduced fat content, higher polyunsaturated fats

## Using Myostatin information

An important factor to remember is that carcass traits (muscling, fat cover etc), calving traits and milk traits in cattle are controlled by MANY genes. Myostatin is only one of them and, as such, it is not an absolute predictor of an animal's performance.

A Myostatin genotype is a further bit of information that may help your decision, but it should be used in conjunction with wider information such as Estimated Breeding Values (EBVs), which bring together information of actual performance from the animal itself, its herdmates and its relatives to predict genetic merit, and your own judgment on type and pedigree.

### 3. Genetic Colour

Colour and polled/horned genes typically come in pairs called alleles. One is inherited from the sire and one from the dam. Where an animal's alleles are the same, it is said to be 'Homozygous' (Hom.) Where the alleles are different (because there is more than one variant of the gene), the animal is said to be 'Heterozygous' (Het.)

"Hom. Red" – animals will be red and will pass on red genes.

"Hom. Black" – animals will be black and will pass on black genes. All calves will be black, since black colour genes are dominant.

"Het. Black" – animals will be black and will pass on either a red or black gene.

"Het. Red" – animals will be red and will pass on a red gene or a colour gene known as the 'wild type' that is non-colour determinate. (The coat colour of calves inheriting the wild type gene will be governed by the gene they inherit from the other parent. It is rare, but it is also possible for an animal to be homozygous for the wild type gene, in which case they will be reddish/brown to brownish/black).

### 4. Genetics for Horned/Polled Status

A bull that is "Hom. Polled" - will be polled himself and all calves will be polled (since he only has polled genes to pass on and they are dominant).

A bull that is "Het. Polled" – will be polled himself and will produce some polled and some horned calves (assuming the cows are all horned).

A bull that is "Hom. Horned" – will be horned himself and will pass only horned genes to his calves.

For more information on both Genetic Colour and Polled/Horned, go to [www.limousin.co.uk](http://www.limousin.co.uk), search in 'performance programmes' or scan the QR code above.

## 5. Estimated Breeding Values and Genomic Estimated Breeding Values (EBVs & GEBVs)

EBVs & GEBVs are expressed in the same unit as the recorded trait (eg kgs for 400 Day Weight, mm for Muscle Depth etc) are relative to the Breed Average.

- a. In sale catalogues, Breed Average for each trait is represented by the vertical line that is central on the bar chart...
  - ✓ Bars that lie to the right of that line indicate EBVs/GEBVs that are above average. The further to the right they lie, the higher above Breed Average they are.
  - ✓ Equally, bars that lie to the left of the line indicate EBVs/GEBVs that are below Breed Average. The further to the left they are, the further below Breed Average they are.
- b. Accuracy Values (Acc%) are expressed as a % and indicate the quantity and quality of records used to produce each EBV, GEBV or Index. The closer they are to 100%, the more accurate the EBV. Highly accurate values are less likely to change over time.
- c. The numeric EBV & GEBV values on the charts can be used to further refine comparison with the breed using the Breed Benchmark which is updated annually.

For more information on EBVs and GEBVs, go to [www.limousin.co.uk](http://www.limousin.co.uk) and search under 'Breed Improvement' in the main menu or scan the QR code opposite.

EBV, GEBV and pedigree information on all Limousin cattle are just a few internet clicks away...

**Step 1:** Go to [www.taurusdata.co.uk](http://www.taurusdata.co.uk)

**Step 2:** In the 'All Breeds Quick Search' box type the name or ear number of the animal you are interested in or click on the 'Breeder Search' button to look at all animals belonging to or bred by a particular breeder.

The site will then tell you the animal's owner/breeder details, its breeding values, its pedigree and list its progeny with full links to all of their information.

## 6. Adjusted Weights

These are the 'raw' weights recorded for the animal throughout its early growing stages. They are adjusted for age, but are not adjusted for any other factor such as management, nutrition, dam age, differences between farms etc.

**LIMOUSIN**

For further information or if you have any query, please let us know -  
 telephone 02476 696500, e-mail [info@limousin.co.uk](mailto:info@limousin.co.uk) or speak to  
 Society staff and Council members attending the sale.

## 2020 Limousin Breed Benchmark

Trait	Bottom			Breed Average	Top		
	1%	10%	25%		25%	10%	1%

For Enquiries: The British Limousin Cattle Society Tel 02476 696500 Email [info@limousin.co.uk](mailto:info@limousin.co.uk)

\* Where animals have been genotyped, the breeding values for these traits will be Genomic Breeding Values (GEBVs). Publication of GEBVs is at animal owners' discretion. If an animal has not been genotyped, the breeding value will be a conventional Estimated Breeding Value (EBV). Whether a breeding value is an EBV or a GEBV is noted alongside each value.

Please note that EBVs and GEBVs are interchangeable for the same trait. For example, an animal with a Calving Interval GEBV can be directly compared to an animal with a Calving Interval EBV. A link to further information on all EBVs and GEBVs is below.

## FOR INFORMATION

### Breeding Indexes

EBVs can be combined in to selection indexes to meet wider breeding objectives...

<b>Calving Value</b>	An economic indicator of the collective value of Gestation Length and Calving Ease
<b>Beef Value</b>	An economic indicator of the collective value of Birth Weight, Calving Ease, 400-Day Growth, Muscle Depth and Backfat Depth
<b>Retail Value</b>	An economic indicator of the collective value of Fillet, Striploin, Rump, Topside, Silverside and Knuckle at 600 days of age and a standard carcase weight of 350kgs.

### NB: Using Calving Ease and Maternal Calving Ease

**Calving Ease EBV** *Predicts how easy a bull's own calves will be born.*

**Maternal Calving Ease EBV** *Predicts how easily a bull's daughters will calve.*

To search the Limousin database by Breeder, by EBVs/GEBVs and/or by Individual Animal go to [www.taurusdata.co.uk](http://www.taurusdata.co.uk) and click on 'Beef Search'

For more information on EBVs and GEBVs please go to [www.limousin.co.uk](http://www.limousin.co.uk) and click on 'Performance Programmes' or get in touch on the numbers below.

## **Herd Health at British Limousin Cattle Society (BLCS) Collective Sales**

### **Introduction**

Herd health rules were introduced by the BLCS at nominated premier Collective Society Sales and these are now in place at all premier BLCS Collective Sales (Stirling February & October; Carlisle February, May, October & December; Brecon May & November).

The principal aim is to standardise herd health declarations and information presented in order to provide both members and customers alike with clear, accurate herd health information at the point of sale and within the given sale catalogue. As such it is attractive and informative for customers and aims to further raise the level of buyer confidence.

### **BLCS Herd Health Rules have two principal elements:**

Part 1. Herds selling at the premier Collective Society Sales have to be members of, and adhering to, the terms of a CHeCS approved Herd Health Scheme. At a minimum, this must include a whole herd test for Johnes's disease.

Part 2. All animals male and female, including calves at foot, presented at the premier Collective Society Sales be EITHER from a BVD Accredited Herd within a CHeCS approved Herd Health Scheme OR to have been BVD tested virus free. All animals forward will be required to be BVD vaccinated prior to sale with an approved vaccine. Pregnant animals must have had testing and vaccination completed prior to service. Vaccination of calves at foot to be in accordance with CHeCS guidelines and recommendations.

### **Herd Health Declaration**

The sale entry form is accompanied by a Herd Health Declaration form asking vendors questions regarding for example: TB status; membership of CHeCS ([www.cheecs.co.uk](http://www.cheecs.co.uk)) health schemes (AFBI Cattle Health Scheme, HiHealth Herdcare (Biobest), & Premium Cattle Health Scheme (SRUC) and Johnes's, BVD, IBR and Lepto status. On line entries also require the Herd Health Declaration form to be completed.

### **Is the Herd Health Declaration compulsory?**

The Herd Health Declaration is compulsory at all Premier Collective Sales. For reasons of clarity and to provide purchasers with the most accurate information available, vendors are required to complete this at time of entry.

Although not compulsory at other collective sales (Newark in April & Ballymena, Dungannon, Thainstone & Stirling in May), the Society recommends that vendors complete the Herd Health Declaration. This information then appears in the Vendors' Index within the catalogue. Where a member has chosen not to complete the Herd Health Declaration, it will simply say 'No Herd Health Declaration'.

### **What Other Health Information may be displayed?**

It should be noted that the Herd Health information provided in the catalogue relates to whole herd status. Information relating to specific animals entered in the sale should be requested from the vendor.

Vendors are encouraged to apply to their respective CHeCS health scheme for individual animal health cards for display on pens. For an individual animal's test results, or vaccination histories, regarding BVD, IBR, Lepto or Johnes's, these are permitted above the sale pens only upon presentation of a signed veterinary declaration to verify that the animal concerned has had a clear test.

Again, for reasons of practicality, no health information notes are to be put in the catalogue footnotes by vendors. Similarly, the Society has requested that no declarations on health information be given by the auctioneer during the sale. Again, the sole purpose of this is to avoid confusion and to try and ensure that the information provided is done accurately, fairly and in a standardised format in the catalogue. This point has been agreed with the auctioneers.

### **Johne's Risk Levels**

The Herd Health Declaration includes a section where breeders are able to indicate their Johne's Risk Level, once known.

#### **The Risk Levels are as follows:**

<b>Risk Level 1</b>	herds that were previously Accredited
<b>Risk Level 2</b>	herds that have had 1 or more clear qualifying tests
<b>Risk Level 3</b>	herds that have 3% or fewer reactors every year*
<b>Risk Level 4</b>	herds that have more than 3% reactors every year**
<b>Risk Level 5</b>	herds not in a CHeCS Johne's disease programme, herds with no health plan in place and herds that are not carrying out the required testing

\* Note, for herds with fewer than 33 animals in the target age range, rather than 3%, Risk Level 3 will be one animal testing positive for Johne's

\*\* Note, for herds with fewer than 33 animals in the target age range, rather than 3%, Risk Level 4 will be more than one animal testing positive for Johne's

It is a condition of BLCS Premier Collective Sales that animals from herds that are Johnes Risk Level 5 are not permitted to be sold.

Should you have any queries regarding the new Johne's Risk Level classification, please contact your respective CHeCS health scheme.

What if a vendor is selling an animal/s that he did not breed?

Vendors are still requested to fill in the Herd Health Sale Declaration accordingly. Prospective customers are advised to speak to vendors directly to acquire accurate health information on animals offered but not bred by the seller.

#### **Feedback & more information**

The Society welcomes members' and customers' feedback on the Herd Health Declarations and health policy at sales. If you have further questions, please speak to the Society representative, Iain Kerr or the Auctioneers.

## **HEALTH AND SAFETY RULES HARRISON & HETHERINGTON LIMITED NOTICE TO ALL VISITORS AND TRADERS PLEASE READ AND OBSERVE THE FOLLOWING**

All visitors and traders on site will be responsible for ensuring that they and their employees or sub-contractors engaged by them comply with all legal requirements, including the Health and Safety At Work etc., Act 1974, The Management of Health and Safety At Work Regulations, The Provision And Use of Work Equipment Regulations, etc.

All visitors and traders will be responsible for ensuring that their operations in no way affect the integrity of the company or its fire, safety or security arrangements and in no way compromise the health and safety and welfare of other visitors to and or employees of Harrison & Hetherington.

Although it is the visitors and traders responsibility to ensure that plant, equipment and systems in work are safe, Harrison & Hetherington Limited reserve the right to ask any visitor or trader to leave the market for any breaches in the Health and Safety Rules and/or Regulations.

Vendors must inform Harrison & Hetherington Limited of any livestock due to attend the market whose temperament, behaviour or condition may call for additional precautions for its safe handling.

When loading or unloading livestock handlers must ensure that the dock and vehicle gates are securely fixed so as to prevent the escape of animals.

Traders are responsible for providing and maintaining suitable livestock handling equipment. They should ensure that livestock handlers are fit, experienced in livestock handling and familiar with the livestock in their charge.

Children must not be permitted in any area where they may be at risk from livestock or machinery.

In the case of bulls, during the period when the show/sale is open to visitors, bulls in stalls or pens should not be left unattended. If the handler is temporarily absent, arrangements should be made with another vendor, steward or member of Harrison & Hetherington staff to oversee the bull until the handler returns.

Handling of Livestock at shows and sales: Harrison & Hetherington Limited recommend that an adult person should accompany any junior person during the showing/ sale of livestock in the ring and reserves the right to intervene at any point if, in the company's opinion, the person showing the livestock is at risk in undertaking that activity.

Passageways must be kept clear at all times during the auction sale. **PLEASE DO NOT STAND IN THE SALE RING ENTRANCE AND EXIT PASSAGES.**

The auction ring man escapes and refuges must be kept clear at all times.

All portable electrical equipment supplied and/or used by visitors and traders must be safe and fit for the purpose and should have a valid portable appliance test certificate.

## **AUCTIONEER'S TERMS & CONDITIONS OF SALE**

(Incorporating the Auctioneer's  
Terms and Conditions )

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), to be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the Lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's clerk but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. Inasmuch as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
11. You have a right to know how we will use the information you have provided to us. We may share the information with other members of our group and may make this information available to relevant media groups and other interested parties on request. We and other members of the group may contact you by telephone, e-mail, post or fax to inform you of products or services available. If you do not want to be contacted for marketing purposes or do not wish your information to be made available to any other parties please notify us in writing.

## LIMOUSIN GENETICS

Introducing Our Two Exciting new French Sires.

# Nord Ouest & NetSurfer

### Nord Ouest

### Nord Ouest

Full Brother to the  
Legendary Objat. Purchased from  
The ABL Muscle Type  
Testing Station After Excelling  
on Performance.  
Semen Available

### NetSurfer

Purchased from Brive Show.  
Total Outcross, And an  
Impeccable Pedigree with All  
Generations being RRE or RR  
Qualified on Iboval. Bred on  
the same farm as the World  
renowned "Dauphin".  
Semen available soon.

### Net Surfer

### Semen Also available from

Gorrycam Notorious, Claragh Franco, Ilot, Trueman Idol, Goldies Jazz,  
Ampertaine Magnum, Plumtree Fantastic.

View our full list of sires at [Limousingenetics.com](http://Limousingenetics.com) or our Facebook Page.  
Or telephone to request our Forthcoming 2020 Catalogue.
