IMPORTANT NOTICE TO PROSPECTIVE PURCHASERS

SETTLEMENT & CLEARANCE OF STOCK

Please note that all lots must be settled on the day of purchase

Completion of a buyers slip is essential for parties who have not dealt with the company before

New customers and agents wishing to purchase on behalf of another party must contact the companys main office 48 hours prior to a sale

No Lots can leave the market without a 'pass slip' being issued by the main office

Purchasers From Outside The United Kingdom

Invoices will be raised in pounds sterling.

We request that payment is made to us in pounds sterling by cheque/bankers draft on the day of sale.

Debit cards and business credit cards only accepted. (2% surcharge on business credit cards) If you pay with a credit card, it must be linked to a business bank account.

IMPORTANT NOTICE TO PROSPECTIVE PURCHASERS

ALL LOTS MUST BE SETTLED ON THE DAY OF PURCHASE

Parties who have not dealt with the company before should complete the undernoted form and hand it in to the auctioneers' clerk when a purchase is made.

Alternatively it can be sent to the main office in advance of the sale.

BIO SECURITY RULES

HARRISON & HETHERINGTON LIMITED, BORDERWAY MART, CARLISLE Notice to all Visitors and Traders

Please read and observe the following:

- Excessive dirty vehicles will not be allowed entry, therefore ensure vehicle is clean before arrival.
- All vehicles transporting livestock will be subject to a documentation check before entry to market site.
- All visitors and traders must ensure they wear clean clothing and footwear before entering market site.
- All visitors and traders using car park areas please use main entrance.
- Hauliers and farmers delivering livestock must disinfect their boots before and after loading or unloading.
- Livestock purchased or unsold will not be allowed to move unless an authorised "pass slip" has been issued by the main office.
- No livestock will be allowed to remain on the premises after a sale.
- Only staff, livestock hauliers, owners or their agents are permitted to load or unload livestock.
- · Wash hands thoroughly when leaving pennage areas.
- Please observe our staff's instructions at all times.

Our on site Biosecurity Officer, Stuart Graham, will only be too pleased to give you assistance.

General Information & Sale Notes

LOCATION: The Sale will be held in the Borderway Mart, Carlisle Cumbria. Motorists should leave the M6 at Junction 43 and follow CARLISLE signs. The market is on the left hand side of the road within 1/4 mile of M6.

limetable of Events:-		
Thursday 13th February	Arrival of Stock	11am - 5pm
	Inspection of Stock	2pm - 6pm
	Mart closes and gates are locked	10pm
Friday 14th February	Mart gates open	6am
	Judging of all classes and championships	11am
	Sale of Females	5pm
	Mart closes and gates are locked	10pm
Saturday 15th February	Mart gates open	6am
	Sale	11am

HOTELS: There are many hotels within the area, ranging from four star to excellent Bed and Breakfast accommodation, a list of which may be found on page 4 of the catalogue.

CONDITIONS OF SALE: This sale is held under the British Limousin Cattle Society's Auction Sale Rules and subject to recommended Conditions of Sale of the National Beef Association (NBA). This sale is held subject to these rules and the Auctioneers' General Conditions of Sale, both of which are available on request. In the event of any discrepancy between the two sets of conditions, the NBA Conditions of Sale shall prevail

INSURANCE: A representative of the H&H Insurance Brokers, will be present at the sale and will be pleased to quote Purchasers for transit and other risks.

METHOD OF SALE: All cattle will be sold in guineas (105 pence) and strictly in catalogue order, unless any alteration is announced by the Auctioneers.

COMMISSIONS: The Auctioneers will dutifully execute commissions to purchase for buyers unable to attend the sale personally, upon receipt of written instructions.

ONLINE BIDDING FACILITY will be available for this sale. Log onto https://harrisonandhetherington.co.uk/live-streaming/ for further details to register.

REGISTRATIONS: All stock in the Sale are registered with the British Limousin Cattle Society (Tel 02476 696500).

PEDIGREE TRANSFERS: Official Pedigree Transfers will be effected by the Auctioneers and the British Limousin Cattle Society as soon as possible after the Sale. Full Pedigrees will be transferred free of charge to all members.

SETTLEMENT AND CLEARANCE OF STOCK: Settlement in full is due immediately at the close of Sale. No animal may leave the Sale Premises without an official 'Pass Slip', obtainable only from the Auctioneers upon settlement.

Purchasers unable to remove their stock on the day of sale can arrange overnight accommodation with the Auctioneers on the understanding that all cattle are at Purchasers' risk.

ANIMAL WELFARE: Vendors and Purchasers should note the CODE OF PRACTICE published by the Livestock Auctioneers' Market Committee for England and Wales IS OPERATIVE IN BORDERWAY MART and that weakly, unhealthy or injured stock will be refused entry by the Auctioneers. Enquiries should be directed through the market office to the Auctioneers' ANIMAL HEALTH & WELFARE OFFICER (Mr Andrew Templeton).

Important Notice to Vendors & Purchasers

The full Auction Rules of the BLCS can be viewed in the Society's Byelaws and on the website www. limousin.co.uk. A paper copy can be made available upon request to the BLCS office.

ARRIVAL OF STOCK - As per timetable of events (page 6).

PRE-SALE INSPECTION: All animals entered for the sale must be available for inspection, as per the timetable of events. A Veterinary Officer will examine all animals forward for general health and genetic defects, particularly teeth, eyes, testicles and warts. Appointed Society Inspector will check general conformation, locomotion and breed characteristics and temperament. Any animal discovered with a genetic fault, disease or disorder will be REJECTED. Animals will be placed in a crush for this inspection - as required by the Veterinary Officer. The Veterinary inspection will form an integral part of the pre-sale inspection procedure.

Please note - "All animals are subject to a pre-sale inspection to provide a minimum standard and animals are sold with all patent defects, and any subsequent claim after the fall of the hammer is against the vendor and not The British Limousin Cattle Society Ltd".

MARGINAL TEETH - Any bull found to have marginal teeth when inspected will have their sale ticket marked in yellow. Bulls with marginal teeth will be eligible to be shown in the pre-sale show.

BLCS RECORDED WEIGHTS - All bulls will be weighed by BLCS Officials as an integral part of the presale inspection procedure. Official weights (in kgs) will be displayed above each pen.

EVERY BULL entered for the Sale, MUST BE ADEQUATELY TRAINED TO LEAD BY HALTER and MUST BE PARADED FOR INSPECTION unless exempted by the Stewards, at the time and place to be notified. Evidence of faults of temperament, vices, etc., may lead to disqualification. All bulls must be provided with a serviceable halter, which will become the property of the purchaser.

ALL BULLS entered into Premier Collective Sales MUST take part in the pre-sale Show; if animals are not shown then they will not be eligible to be sold.

IDENTIFICATION MARKS: At the point of inspection all animals born after 01 January 1998 must be clearly identified in accordance with bye-law 3.12. This includes all calves at foot.

Please ensure all cattle passport documentation is handed to the Market Sales Office upon arrival. Failure to do so or if for any reason the paperwork does not correspond to the cattle being offered for sale, such animals will be not be put forward for the auction.

The proceeds of sale are guaranteed by the Auctioneers, who will account to Vendors on the day of the Sale. Such guarantee, however, does not extend to the animals sold for export, to which special conditions apply.

UPSET PRICES - There will be an 'Upset' price of 2000 guineas on each bull presented for sale - i.e. if no opening bid of 2000 guineas is received for any particular lot, that lot will be passed out of the ring unsold.

RESERVE PRICES: Vendors shall have the right to refuse to accept the final bid for their animals. The auctioneers reserve the right to charge half commission on the amount of the final bid in the case of animals which fail to reach the Vendors reserve price.

All animals will be sold in guineas (105 pence) and a commission of 5.2% will be charged by the Auctioneers on all sales. A further levy of 1.5% will be charged and paid to the British Limousin Cattle Society. No animal may be sold privately before being passed through the auction ring and FULL COMMISSION will be charged on the sale of any animal sold by private treaty after the auction. All such transactions MUST BE PASSED THROUGH THE AUCTIONEERS OFFICE.

SALE OF CHAMPIONS - Championship winners will be sold as follows -

Senior Champion and Reserve after Lot 25

Intermediate Champion and Reserve after Lot 86

Junior Champion and Reserve after Lot 141

PRIZE MONEY - will be withheld unless the winners are sold, either by auction or private treaty.

STRAW: A limited amount of bedding straw will be provided.

FROGMORE OTHELLO won 2nd prize bull South Wales & Mid-West Breeders Club 2018. Miscombe Gamble (dam) was purchased for 9000gns Miscombe sale. She has two copies F94L, is an exceptional milker and easy calver. She has calved 6 times with no assistance and three of these sired by Trueman Jagger. Othello's half-brother Frogmore Jimmy stock bull Roche Courte and Frogmore Lisbon stock bull Brindham herd. Frogmore Nevada (full sister) won Supreme Champion Melton Mowbray 2019 sold for 6000gns.

TRUEMAN FLORENCE (dam) has bred exceptionally well and has numerous progeny in various herd's around the country. Florence is a very milky cow with terrific maternal traits and a great temperament. Ladybowers Othello is full brother to Calogale Nightingale who had an amazing show season in 2018 and 9000gns Calogale Ninja Carlisle Senior Champion Feb 2019. Calogale Oxide (half brother) sold for 12,000gns Oct 2019. Othello is a beautifully natured bull with lovely locomotion and is very well proportioned. For more info and pictures please visit Ladybowers Limousin Facebook page.

ROUNDHILL LADYSMAN (IE241280271659) sire – Ivoire, dam – Unanime (by Obus). Ladysman was the calf on his dam at Roundhill Open Day during the Irish ILC. Progeny includes Maraiscote Oxygen 4800gns Carlisle Oct 2019.

SWARLAND EDDIE (SOH09-010) sire – Hartsideanew Boumsong, dam – Swarland Valance (by Wilodge Riogrande). He is a top show calf breeding bull and has sired many winners at major shows including Carlisle Agri Expo, Smithfield and N.Ireland. Northern Ireland. His progeny includes Glenrock India 7,500gns Glenrock Sale, Carlisle August 2014. Millgate Invest 12,500gfns Carlisle Feb 2015. Procters Jamaica 10,000gns Carlisle May 2017. Twemlows Morpeth 20,000gns Carlisle May 2018.

SWALESMOOR LIAM (STW15- 4609) sire – Cloughhead Umpire, dam – Nebo Favourite (by Wilodge Vantastic). Top price bull when sold for 30,000gns Carlisle February 2017.

TRUEMAN IDOL (SLN13-6252) sire – Ampertaine Elgin, dam – Trueman Euphonium (by Wilodge Vantastic). Purchased for 17,000gns Carlisle Feb 2015. He is extremely easy calving. Progeny Includes Garnedd Max 12,000gns Carlisle Oct 2017. Sarkley Osanna 6,500gns Carlisle Weaned Calf Sale Dec 2018. Slieve Nando 11,000gn, Garnedd Neptune 7,000gns Carlisle May 2019.

TRUEMAN IGLESIAS (SLN13-6182) sire – Ampertaine Elgin, dam – Trueman Euphonium (by Wilodge Vantastic). Progney includes Fieldson Mahrez 14,000gns Carlisle May 2017. Fieldson Noah 7,000gns Carlisle May 2019. Fieldson Onsort 6500gns Carlisle Oct 2019.

TRUEMAN JAGGER (SLN14-6436) sire – Ampertaine Gigolo, dam – Trueman Grazia (by Haltcliffe Vermount). Trueman Jagger is the world record Limousin bull sold at Carlisle 2015 for 140,000gns. Progeny includes Trueman Mozart Overall Male Champion and sold for 15,000gns Carlisle Oct 2017. Trueman Jagger sired the last Carlisle Champion and Senior Female Champion (Foxhillfarm Madonna) Stars of the Future calf show 2017. Trueman Miranda 7,000gns Carlisle Feb 2018. Foxhillfarm Natalie 9,000gns, Foxhillfarm Nancy 8,000gns, Foxhillfarm Nicola 8,000gns, Foxhillfarm Nextmillion 7,000gns, Foxhillfarm Nellie 7,000gns, Foxhillfarm Nannymcphee 5,500gns, Trueman Major 10,000gns and Trueman Newton Junior Chamion and Reserve Supreme Champion and sold for 8,000gns Carlisle Oct 2018. Claragh Nina 7,000gns, Swalesmoor Nebo 6000gns Carlisle Red Ladies Derby Dec 2018. Calogale Ninja 9,000gns, Swalesmoor Nadena 4,000gns Carlisle Feb 2019. Trueman Ozzy 5500gns Carlisle Oct 2019. Calogale Oxide 12,000gns Carlisle Oct 2019. Mojo Onion Reserve Champion 4000gns Welshpool Nov 2019.

VAGABOND (24-24-484-782) sire - Neuf, dam - Niche (By Idem) Progeny includes Greenwell Caspian 12,000gns Carlisle Feb 2009, Greenwell Dreamboy 27,000gns Carlisle Oct 2009. Greenwell Etiquette (12months Old) 4,500gns Carlisle May 2010. Greenwell Cynthia 7,200gns & Greenwell Crystal 6,000gns Greenwell Dispersal Aug 2010. Westpit Fendt 15,500gns Carlisle Feb 2012. Greenwell Fabian 8,000gns Carlisle Feb 2012. Greenwell Eden 5,000gns Carlisle July 2014.

WILODGE CERBERUS (WEY07-010) sire - Wilodge Tonka, dam - Wilodge Priceless (by Broadmeadows Cannon). Sold for 50,000gns Carlisle Oct 2008 to join the Whinfellpark herd. Progeny includes Whinfellpark Fanzine 9,000gns & Whinfellpark Fairley 5,500gns Carlisle Weaned Calf Sale Dec 2010. Whinfellpark Fizzle 9,200gns, Whinfellpark Festive Reserve Junior male Champion and sold for 8,500gns Carlisle May 2011. Whinfellpark Flamboyant 12,000gns Intermediate Champion Carlisle Oct 2011. Whinfellpark Gateaux 5,500gns Weaned Calf sale Carlisle 2011. Ampertaine Foreman Reserve Supreme Champion Carlisle Feb 2012 Selling for 38,000gns. Wilodge Goldenmoment 10,000gns, Wilodge Gracies 8,000gns, Wilodge Goldrush 8,000gns Wilodge Goldenglow 6,000gns & Wilodge Golddust 5,000gns Carlisle June 2012. Dyfri Glynswr 8,000gns Carlisle Oct 2012. Kaprico Helen 5,000gns Weaner Calf sale Carlisle Dec 2012. Rahoney Geoffrey, reserve supreme champion and sold for 23,000gns, Goldies Gemini 9,000gns Carlisle Feb 2013. Titchburn Heros Wilodge Cerberus 11,000gns, Goldies Hawk 9,000gns and Titchburn Honour 8,000gns Carlisle Oct 2013. Ronick Gleeful 7,000gns and Trueman Holly 5,000gns Red Ladies Derby Carlisle Dec 2013. Ampertaine Heather 6,900gns Cowporation Dispersal Carlisle March 2014. Aultside Hulk Reserve Overall Champion and top price, 55,000gns Carlisle May 2014. Trueman Hannah 5,000gns Carlisle May 2014. Mistic Gucci 6,200gns Glenrock Sale, Carlisle August 2014. Barrons Jell 4,000gns Weaned calf sale Carlisle Nov 2014. Barrons Lumberjack 6,000gns Carlisle Weaned Calf sale December 2015. Aultside Lionheart 7,500gns Carlisle Oct 2016. Aultside Mystique 18,000gns Carlisle Red Laides Derby Dec 2017. Aultside Meanmachine Supreme & Junior Champion and sold for the top price of 65,000gns Carlisle Feb 2018. Battleford Nancy 4,200gns Carlisle Red Ladies Derby Dec 2018. Beachmount Oswald 4000gns Carlisle Oct 2019.

WILODGE GOLDCARD (WEY11-009) sire - Wilodge Cerberus, dam - Sarkley Bellola (by Cloughhead Lord). Wilodge Goldcard was sold privately to Cogent Breeding Ltd in 2012 aged 14 months of age. He is the maternal brother of Wilodge Dallaglio, Overall Male Limousin and Elite Bull Champion Royal Welsh Show 2009 and top price Carlisle October 2009, 30,000gns and the full brother of Wilodge Goldenmoment,10,000gns, Wilodge Goldrush 8,000gns, Wilodge Goldenglow 6,000gns and Wilodge Golddust 5,000gns, sold at the Wilodge production sale June 2012.

WILODGE INSPECTOR (WEY13-1254) sire – Branceille, dam – Wilodge Caream (by Vivaldi). Proving to be an easy calving sire. Progeny includes 4500gns Saunders Monty, Carlisle June 2017. Saunders Master 11,000gns Carlisle Feb 2018.

WILODGE LJ (WEY15-1388) sire – Gerrygullinane Glen, dam – Wilodge Gem (by Wilodge Vantastic. Progeny includes Goldies Officer 4000gns Carlisle Oct 2019.

When it comes to insurance, one size doesn't fit all

At H&H Insurance Brokers, you get access to the widest range of policies available, rather than just a few standard packages as offered by some insurers.

This means you get exactly the right cover for your farm and don't end up paying for extras you don't need.

And with over 30 years' industry experience, we're fast becoming the insurance broker of choice for the regions' agricultural community.

Why not speak to one of our farm insurance experts today on 01228 406 290 for a 'no obligation' quote.

Authorised and regulated by the Financial Conduct Authority (FCA) under Firm Reference Number 305809

LIMOUSIN

1. Birth Type

'Got by AI' indicates whether the calf was a result of an AI service. If blank, the dam was naturally served. 'Natural calf indicates the calf was born to its biological dam. 'ET calf indicates the calf was born as a result of embryo transplant.

2. Myostatin

"Not tested" indicates that no Myostatin test is currently available for the animal. Full details on the Myostatin variants and their effects on performance can be found on the Limousin Society website www.limousin.co.uk, search in 'performance programmes'. In summary:

The Variants:

F94L	Animals with two copies of this gene (ie F94L/F94L) exhibit an increase in muscling (by up to 19%) with no associated increased in calving difficulty, lowered fertility or longevity and by far the majority of animals in the breed carry this gene. Heterozygous animals (those with one copy of the gene) also exhibit these characteristics but not to the same degree.
NT821	Animals with two copies of the gene (ie nt821/nt821) will exhibit characteristics of larger loin depths, reduced fat depths and large, rounded rump and thighs. However, unlike F94L, animals with two copies may also have slightly heavier birth weights bringing with it the potential for more difficult calvings. If animals are 'heterozygous' with F94L (ie F94L/nt821) they will still exhibit quality carcase characteristics but are less likely to be affected by more difficult calvings.
Q204X	Animals with two copies of the gene (ie Q204X/Q204X) will exhibit characteristics of larger loin depth, reduced fat cover and greater meat tenderness. However, they may also have the potential to exhibit larger birth weight and, if females, slightly reduced milking ability. Animals that are 'heterozygous' with F94L (ie F94L/Q204X) will still exhibit quality carcase characteristics but are less likely to be affected by larger birth weights and reduced milking ability.

Two further variants of Myostatin exist in the population but are relatively uncommon in their occurrence. Known as nt419 and E291X, their effects are similar to nt821 and Q204X respectively.

The recognised benefits of Myostatin are:

- ✓ Increased Meat Yield by up to 19%.
- More feed efficient
- Higher meat quality increased tenderness, reduced fat content, higher polyunsaturated fats

Using Myostatin information

An important factor to remember is that carcase traits (muscling, fat cover etc), calving traits and milk traits in cattle are controlled by MANY genes. Myostatin is only one of them and, as such, it is <u>not</u> an absolute predictor of an animal's performance.

A Myostatin genotype is a further bit of information that may help your decision, but it should be used in conjunction with wider information such as Estimated Breeding Values (EBVs), which bring together information of actual performance from the animal itself, its herdmates and its relatives to predict genetic merit, and your own judgment on type and pedigree.

3. Genetic Colour

Colour and polled/horned genes typically come in pairs called alleles. One is inherited from the sire and one from the dam. Where an animal's alleles are the same, it is said to be 'Homozygous' (Hom.) Where the alleles are different (because there is more than one variant of the gene), the animal is said to be 'Heterozygous' (Het.)

"Hom. Red" - animals will be red and will pass on red genes.

"Hom. Black" - animals will be black and will pass on black genes. All calves will be black, since black colour genes are dominant.

"Het. Black" - animals will be black and will pass on either a red or black gene.

"Het. Red" – animals will be red and will pass on a red gene or a colour gene known as the 'wild type' that is non-colour determinate. (The coat colour of calves inheriting the wild type gene will be governed by the gene they inherit from the other parent. It is rare, but it is also possible for an animal to be homozygous for the wild type gene, in which case they will be reddish/brown to brownish/black).

4. Genetics for Horned/Polled Status

A bull that is "Hom. Polled" - will be polled himself and all calves will be polled (since he only has polled genes to pass on and they are dominant).

A bull that is "Het. Polled" - will be polled himself and will produce some polled and some horned calves (assuming the cows are all horned).

A bull that is "Hom. Horned" - will be horned himself and will pass only horned genes to his calves.

For more information on both Genetic Colour and Polled/Horned, go to www.limousin. co.uk, search in 'performance programmes' or scan the QR code above.

5. Estimated Breeding Values and Genomic Estimated Breeding Values (EBVs & GEBVs)

EBVs & GEBVs are expressed in the same unit as the recorded trait (eg kgs for 400 Day Weight, mm for Muscle Depth etc) are relative to the Breed Average.

- a. In sale catalogues, Breed Average for each trait is represented by the vertical line that is central on the bar chart...
 - ✓ Bars that lie to the right of that line indicate EBVs/GEBVs that are above average. The further to the right they lie, the higher above Breed Average they are.
 - ✓ Equally, bars that lie to the left of the line indicate EBVs/GEBVs that are below Breed Average. The further to the left they are, the further below Breed Average they are.
- b. Accuracy Values (Acc%) are expressed as a % and indicate the quantity and quality of records used to produce each EBV, GEBV or Index. The closer they are to 100%, the more accurate the EBV. Highly accurate values are less likely to change over time.
- c. The numeric EBV & GEBV values on the charts can be used to further refine comparison with the breed using the Breed Benchmark which is updated annually.

For more information on EBVs and GEBVs, go to www.limousin.co.uk and search under 'Breed Improvement' in the main menu or scan the QR code opposite.

EBV, GEBV and pedigree information on all Limousin cattle are just a few internet clicks away...

Step 1: Go to www.taurusdata.co.uk

Step 2: In the 'All Breeds Quick Search' box type the name or ear number of the animal you are interested in or click on the 'Breeder Search' button to look at all animals belonging to or bred by a particular breeder.

The site will then tell you the animal's owner/breeder details, its breeding values, its pedigree and list its progeny with full links to all of their information.

6. Adjusted Weights

These are the 'raw' weights recorded for the animal throughout its early growing stages. They are adjusted for age, but are not adjusted for any other factor such as management, nutrition, dam age, differences between farms etc.

For further information or if you have any query, please let us know telephone 02476 696500, e-mail info@limousin.co.uk or speak to Society staff and Council members attending the sale.

2020 Limousin Breed Benchmark

Trait		Bottom		Breed		Тор

For Enquiries: The British Limousin Cattle Society Tel 02476 696500 Email info@limousin.co.uk

* Where animals have been genotyped, the breeding values for these traits will be Genomic Breeding Values (GEBVs). Publication of GEBVs is at animal owners' discretion. If an animal has not been genotyped, the breeding value will be a conventional Estimated Breeding Value (EBV). Whether a breeding value is an EBV or a GEBV is noted alongside each value.

Please note that EBVs and GEBVs are interchangeable for the same trait. For example, an animal with a Calving Interval GEBV can be directly compared to an animal with a Calving Interval EBV. A link to further information on all EBVs and GEBVs is below.

FOR INFORMATION

Breeding Indexes

EBVs can be combined in to selection indexes to meet wider breeding objectives...

Calving Value	An economic indicator of the collective value of Gestation Length and Calving Ease
Beef Value	An economic indicator of the collective value of Birth Weight, Calving Ease, 400-Day Growth, Muscle Depth and Backfat Depth
Retail Value	An economic indicator of the collective value of Fillet, Striploin, Rump, Topside, Silverside and Knuckle at 600 days of age and a standard carcase weight of 350kgs.

NB: Using Calving Ease and Maternal Calving Ease

Calving Ease EBV Predicts how easy a bull's own calves will be born. Maternal Calving Ease EBV Predicts how easily a bull's daughters will calve.

To search the Limousin database by Breeder, by EBVs/GEBVs and/or by Individual Animal go to www.taurusdata.co.uk and click on 'Beef Search'

For more information on EBVs and GEBVs please go to www.limousin.co.uk and click on 'Performance Programmes' or get in touch on the numbers below.

For Enquiries: The British Limousin Cattle Society Tel 02476 696500 Email info@limousin.co.uk

Herd Health at British Limousin Cattle Society (BLCS) Collective Sales

Introduction

Herd health rules were introduced by the BLCS at nominated premier Collective Society Sales and these are now in place at all premier BLCS Collective Sales (Stirling February & October; Carlisle February, May, October & December; Brecon May & November).

The principal aim is to standardise herd health declarations and information presented in order to provide both members and customers alike with clear, accurate herd health information at the point of sale and within the given sale catalogue. As such it is attractive and informative for customers and aims to further raise the level of buyer confidence.

BLCS Herd Health Rules have two principal elements:

Part 1. Herds selling at the premier Collective Society Sales have to be members of, and adhering to, the terms of a CHeCS approved Herd Health Scheme. At a minimum, this must include a whole herd test for Johne's disease.

Part 2. All animals male and female, including calves at foot, presented at the premier Collective Society Sales be EITHER from a BVD Accredited Herd within a CHeCS approved Herd Health Scheme OR to have been BVD tested virus free. All animals forward will be required to be BVD vaccinated prior to sale with an approved vaccine. Pregnant animals must have had testing and vaccination completed prior to service. Vaccination of calves at foot to be in accordance with CHeCS guidelines and recommendations.

Herd Health Declaration

The sale entry form is accompanied by a Herd Health Declaration form asking vendors questions regarding for example: TB status; membership of CHeCS (www.checs.co.uk) health schemes (AFBI Cattle Health Scheme, HiHealth Herdcare (Biobest), & Premium Cattle Health Scheme (SRUC) and Johne's, BVD, IBR and Lepto status. On line entries also require the Herd Health Declaration form to be completed.

Is the Herd Health Declaration compulsory?

The Herd Health Declaration is compulsory at all Premier Collective Sales. For reasons of clarity and to provide purchasers with the most accurate information available, vendors are required to complete this at time of entry.

Although not compulsory at other collective sales (Newark in April & Ballymena, Dungannon, Thainstone & Stirling in May), the Society recommends that vendors complete the Herd Health Declaration. This information then appears in the Vendors' Index within the catalogue. Where a member has chosen not to complete the Herd Health Declaration, it will simply say 'No Herd Health Declaration'.

What Other Health Information may be displayed?

It should be noted that the Herd Health information provided in the catalogue relates to whole herd status. Information relating to specific animals entered in the sale should be requested from the vendor.

Vendors are encouraged to apply to their respective CHeCS health scheme for individual animal health cards for display on pens. For an individual animal's test results, or vaccination histories, regarding BVD, IBR, Lepto or Johne's, these are permitted above the sale pens only upon presentation of a signed veterinary declaration to verify that the animal concerned has had a clear test.

Again, for reasons of practicality, no health information notes are to be put in the catalogue footnotes by vendors. Similarly, the Society has requested that no declarations on health information be given by the auctioneer during the sale. Again, the sole purpose of this is to avoid confusion and to try and ensure that the information provided is done accurately, fairly and in a standardised format in the catalogue. This point has been agreed with the auctioneers.

Johne's Risk Levels

The Herd Health Declaration includes a section where breeders are able to indicate their Johne's Risk Level, once known.

The Risk Levels are as follows:

Risk Level 1	herds that were previously Accredited	
Risk Level 2	herds that have had 1 or more clear qualifying tests	
Risk Level 3	herds that have 3% or fewer reactors every year*	
Risk Level 4	herds that have more than 3% reactors every year**	
Risk Level 5	herds not in a CHeCS Johne's disease programme, herds with no health plan	
in place and herds that are not carrying out the required testing		

* Note, for herds with fewer than 33 animals in the target age range, rather than 3%, Risk Level 3 will be one animal testing positive for Johne's

** Note, for herds with fewer than 33 animals in the target age range, rather than 3%, Risk Level 4 will be more than one animal testing positive for Johne's

It is a condition of BLCS Premier Collective Sales that animals from herds that are Johnes Risk Level 5 are not permitted to be sold.

Should you have any queries regarding the new Johne's Risk Level classification, please contact your respective CHeCS health scheme.

What if a vendor is selling an animal/s that he did not breed?

Vendors are still requested to fill in the Herd Health Sale Declaration accordingly. Prospective customers are advised to speak to vendors directly to acquire accurate health information on animals offered but not bred by the seller.

Feedback & more information

The Society welcomes members' and customers' feedback on the Herd Health Declarations and health policy at sales. If you have further questions, please speak to the Society representative, lain Kerr or the Auctioneers.
