AGM & Herd Visit On Sunday 1st September, we travelled down to the Lizard Peninsula for the AGM at the Mullion Cove Hotel, beautifully situated on the south coast of Cornwall. I think we would all have been happy to stay there longer; in a delightful setting with gorgeous sunshine and sea breeze. Thank you to everyone for travelling the distance, the majority of the 65 booked for the meal came along to the AGM which is great to hear thoughts and ideas for the South West region to be able to go forward. Chairman Patrick Greed presented Jack Neale with a walking stick on his retirement from the Committee, and thanked him for his long term support and input, Jack joined the Committee in the early 1990's! We welcome Tom

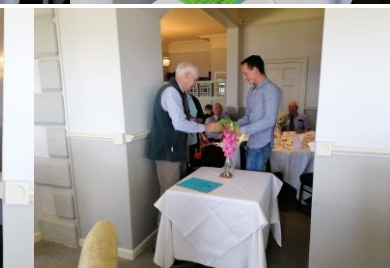

Hilsdon to the Committee, Tom is from the Poole Herd, South Molton and is very keen and has a good understanding of the Breeding. Congratulations and Thanks to Everyone who supported all the Shows, around the circuit, with Michael & Melanie Alfords' Foxhillfarm Naomi topping their winnings with the 'Grand Slam' at the Scottish Grand Prix with Mark Quick as Judge. Also, locally to Nick Hill & Family, and Jo Smith & Family

Harry Parker reported on the Jaggerbomb saga assisted by Mr Brian Lear, Vice Chairman of the British Limousin Cattle Society; giving us all a better understanding.

We presented Brian with a hamper of produce made in the South West region's counties; Cornwall, Devon, Dorset, Somerset & Wiltshire all in a basket made from willows from the Somerset Levels!

We then travelled about 7 miles to Gwarth-an-Dree to visit the Tresprison Herd by kind permission of DC & SA Martin.

We arrived at the buildings all very prestige and great to see, my favourite was the round house! Ben and Alison Olds took us around the Farm on tractors and trailers. We saw some super Cattle, the ride around the farm with sunshine, idealic views , a real holiday on Sunday!

Our grateful Thanks to all at Gwarth-an- Drea
