June 2020 Newsletter

Hope Everyone has been keeping well during Covid 19 Lockdown for the past 3 months. With UK and worldwide restrictions due to Coronavirus and only essential businesses allowed to open, we have to be grateful in the agriculture industry, for continual trading, the advance in technology and social media and simply being able to keep going. One thing for certain restrictions do allow you to 'get on with all those jobs' that otherwise get left.

Having a Summer like Spring helped us immensely after the long, wet winter, and with the last few days of welcome rain and cooler spell, will help to recover a bit before the next heatwave!

Killerton Panorama a 15 month old bull sired by Foxhillfarm Montreal sold at 4000 gns to R & S Greep, Ivybridge. Trade was selective, Patrick Greed sold another bull at 3000gns for Killerton Olaf sired by Ampertaine Lawson going to FC Bealey, Torrington.

South West Limousin **Fun Photo Competition**

Previous years would now see the South West Limousin Cattle Breeders' Herd Competition which this year has been cancelled.

So instead we're going to hold a Fun Competition of 'Virtual' Limousin themed photographs.

Photos must have been taken in 2020 with the content of the picture based on a 'Limousin' theme. There are four classes as follows:

1. Fun/Comedy
2. Landscape
3. Best Limousin Female
4. Best Limousin Male

Our judge is Mr Dyfan James from the Cowin herd

Please can you email your photographs to southwestlimousin@gmail.com on the weekend of Saturday 8th and Sunday 9th August. This will make it much easier not to lose amongst other emails and also to have all your lovely photos arriving together!!

The Competition is just for Fun and is open to every South West Club member, we would like to see how many members can send a picture!!

So if you haven't any photos taken during lockdown, over the next few weeks it's time to get clicking 😊
