BAILEYS HERD

The Baileys Limousin herd was founded in 1998 with the purchase of 8 heifers that year. There are sixty cows currently in the herd with four cows being used in our flushing programme.

The herd has bred some outstanding males and females in the past years. Baileys Ice Princess a daughter of Roundhill Vjoyeuse was crowned the champion at the World Limousin Congress 2016, National Champion Tullamore 2015 & 2016 and Balmoral Champion 2015.

Baileys Aubergine was Reserve Female Champion Balmoral 2007 whose son Baileys Eldorado sold for £17000gns to Grahams herd.

This is our second production sale in many years for the herd due to high volume numbers of females. All our heifers in today's sale have been scanned and all are correct and right for breeding by Dr Dan Ryan.

I am delighted to be involved in today's sale with Gary. I want to thank the Limousin Society for all the assistance throughout the years. I also want to thank the staff and Management of Tullamore Mart for all their help today. A special word of thanks to Denis Barrett – Auctioneer.

Pixie has the potential to make an exceptional cow and is a great opportunity to acquire a proven bloodline.
