## *January 2021 Newsletter*

Well, we're certainly having a taste of those seasonally cold Februaries we used to have!! But at least it's drier for a bit!

Hope you are all keeping well and dealing with this lockdown and let's hope the vaccination plans continue to go as well.

With no meetings as such, at the moment the South West Sales are booked as follows:

Friday 23<sup>rd</sup> April – South West Spring Sale at Exeter

Wednesday 26<sup>th</sup> May – South West May Sale at Holsworthy

If we are able to hold a Show at Exeter on Friday 23<sup>rd</sup> April we will, and on the proviso, Geoff Hollow has kindly agreed to be our Judge. If a Show isn't possible at Exeter, we will endeavour to try to hold one at Holsworthy. We will keep you posted!

We hope to be able to hold the South West Herd Competition this year, Dyfan James, from the Cowin Herd, Carmarthen, has again kindly agreed to Judge for us.

With the Society postponing the 50<sup>th</sup> celebrations this year, we at the moment have no plans for a Farm Visit, but if circumstances change, we will no doubt be organising!

If anyone has any ideas for Farm Visits etc, please let us know, we welcome and look forward to your thoughts and ideas, please email [southwestlimousin@gmail.com](mailto:southwestlimousin@gmail.com)

Our Society Chairman, and South West Representative Harry Parker together with the Society are working hard moving forward.

Finally, subscriptions fell due in January for those who aren't on direct debit, please can you email Caroline [caroline428@btinternet.com](mailto:caroline428@btinternet.com)

Any queries, please do not hesitate to contact us, and we look forward to a brighter year.
