### TIMETABLE OF EVENTS:

|                                       |                             |                 |
|---------------------------------------|-----------------------------|-----------------|
| <b>Friday 23<sup>rd</sup> April</b>   | Arrival of Pedigree Stock   | 2.00pm Onwards  |
|                                       | Inspection/Vetting of bulls | 4.00pm – 7.00pm |
| <b>Saturday 24<sup>th</sup> April</b> | Arrival of Commercial Stock | 6.00am – 8.00am |
|                                       | Judging and Parade          | 9am – 10.30am   |
|                                       | Sale                        | 11.00am         |

**LAA REGULATIONS & NBA WARRANTIES:** The Sale will be held subject to the LAA (Livestock Auctioneers Association) Rules, Regulations & Bye Laws and all animals subject to the Fertility Guarantees as recommended by the National Beed Association.

This Sale is also held subject to the Special Terms and Conditions of Sale recommended for Sales of Pedigree Beef Cattle by the National Beed Association. The preparation of these Terms and Conditions has proved a lengthy and costly process and, in order to defray the legal and other costs involved, and to provide a continuing source of revenue to assist the Association in its vital work for Pedigree Cattle Breeders, the Council of the Association has decided that a special levy, amounting to £3 per male and £2 per female head/lot sold (plus VAT) shall be charged to each Purchaser.

**METHOD OF SALE:** All pedigree cattle will be sold in Guineas (105 Pence) and strictly in catalogue order unless any alterations are announced by the auctioneers. Commercial Cattle will be sold in £'s/head.

**REGISTRATIONS:** All pedigree livestock in the sale are registered with the British Limousin Cattle Society.

**COMMISSION, SOCIETY LEVIES & TRANSFER FEES:** All pedigree cattle will be sold in the Guinea with a commission of 5% and on commercial cattle will be 3.5%. BLCS Society Levies are charged at 1.5% and official pedigree transfers will be effected by the Auctioneers and the British Limousin Cattle Society as soon as possible after the sale. Full pedigrees will be transferred free of charge to all members.

**ONLINE BIDDING:** Online bidding is available via Marteye:

Log onto <https://meltonmowbraymarket.marteye.ie/> for further details to register.

**\*\*Please register no later than 48 hours prior to the sale\*\***

**VETERINARY INSPECTION:** For the buyer's convenience, a veterinary inspection will be carried out on all bulls for sale. The vet will examine the general health and genetic defects particularly teeth, eyes, testicals, warts and movement. Any animal found with a genetic fault, disease or disorder will be rejected. All cattle entered for the sale will have their UK Tags examined as an integral part of the pre-sale inspection procedure.

Every bull entered for the sale **MUST** be halter trained and all bulls must be accompanied by a serviceable halter that will become the property of the purchaser.

**SETTLEMENT AND CLEARANCE OF STOCK:** Settlement in full is due immediately at the close of Sale. No animal may leave the Sale Premises without an official 'Pass Slip', obtainable only from the Auctioneers upon settlement.

**RESERVE PRICES:** Vendors shall have the right to refuse to accept the final bid for their animals.

**STRAW:** Straw will be provided by the auctioneers at £4 per head.

**BIOSECURITY NOTICE:**

- Excessive dirty vehicles will not be allowed entry, therefore ensure vehicle is clean before arrival.
- All vehicles transporting livestock will be subject to a documentation check before entry to market site.
- All visitors and traders must ensure they wear clean clothing and footwear before entering the market site.
- All visitors and traders using car park areas please use main entrance.
- Hauliers and farmers delivering livestock must disinfect their boots before and after loading or unloading.
- Livestock purchased or unsold will not be allowed to move unless an authorised "pass slip" has been issued by the main office.
- No livestock will be allowed to remain on the premises after a sale, unless arranged with the auctioneers.
- Only staff, livestock hauliers, owners or their agents are permitted to load or unload livestock.
- Wash hands thoroughly when leaving pennage areas.
- Please observe our staff's instructions at all times.

**Our onsite Biosecurity Officer will only be too pleased to provide you with assistance.**

# Melton Mowbray Bull Vendors' Index

The pedigree, performance, DNA, health information and footnotes included in Society sale catalogues is as supplied by, or on behalf of the vendor. The responsibility for the accuracy of the information therefore rests solely with the vendor and not with the British Limousin Cattle Society Ltd (BLCS). It should be noted that the Estimated Breeding Values for all animals change over time, as new performance records come available. While the BLCS and Genesure Ltd seek to ensure that the information contained in catalogues is accurate at the time of printing in accordance with their terms and conditions, no warranty is given in respect thereof by the BLCS and, to the maximum extent permitted by law, the BLCS shall have no liability for any loss, damage or injury howsoever caused (including that caused by negligence) or suffered directly or indirectly in relation to information and opinions contained in or omitted from this publication. Genesure Ltd's liability is limited to the extent set out in its terms and conditions (a copy is available from the BLCS office upon request).

Pesto is sired by the very easing calving Ampertaine Magnum, Magnum has a short gestation length, with calves born up to two weeks earlier than due date. Pesto should be very suitable for use on heifers. His dam Ewdenvale Isabelle has bred bulls to a top of 8800 guineas and is one of the best cows in the Ewdenvale herd.

*Additional information: Smart heifer suitable for breeding. BVD eartagged –  
tested negative. TB1.*

Limousin x British Blue Heifer  
UK203020 2011161, DOB: 01/06/20  
Sire: Lodge Hamlet

*Additional information: Show potential heifer suitable for breeding. BVD eartagged – tested negative. TB1.*

**D J Scarborough, Pasture Farm, Stoke Rochford, Grantham, Lincolnshire, NG33 5EH**

**26** Limousin Steers and Heifers 12 months

*Additional information: Heifers Sired by Fieldson Iceberg (son of Wilodge Vantastic). Home bred and Single Suckled. TB1*

**DR & RL Burns, Lodge Farm, The Fosse Way, Upper Broughton, Melton Mowbray, Leicestershire, LE14 3QD**

**1** Limousin steer 9 months

*Additional information: Show potential.*

**R A Douglas, Dumbourne Farm, Small Hythe Tenterden, Kent**

**36** Limousin x British Blue Steers & Heifers

*Additional Information: Home bred and single suckled, open yarded. TB4 (Herd last tested in December 2020).*

**Stratton Farms LLP, Estate Office, Scarletts Farm, Plaston Green, Headly, Thatcham, RG19 8LP**

**14** Limousin x heifers 12-14 months

*Additional information: The breeding herd has been vaccinated annually for BVD for 20 years. Member of the BioBest HiHealth Scheme. TB1.*

## HOW TO USE GENETIC INFORMATION IN THIS CATALOGUE

Sale catalogues contain specific information relating to the genetics of each animal. This is a short explanatory note to assist when selection decisions are being made.

### Lot 10 Mr A. Breeder

#### Concorde Magician

UK 123456/654321

Got by AI

Natural Calf

Myostatin: F94L/Nt821

Gen. Colour: Hom. Red

Polled: Hom. Horned

gs. ANYGRANDSIRE 87-12-345-678

ggs. ANYGREATGRANDSIRE 36-12-345-678

**Sire Concorde Any sire ABC05-123**

ggd. ANYGREATGRANDDAM 87-87-654-321

gd. ANYGRANDDAM 23-12-345-678

ggs. ANOTHERGREATGRANDSIRE 32-12-345-678

ggd. ANOTHERGREATGRANDDAM 23-87-654-321

gs. ANOTHERGRANDSIRE 32-87-654-321

ggs. THISGREATGRANDSIRE 19-12-345-678

**Dam Concorde Anydam ABC05-876**

ggd. THATGREATGRANDDAM 19-87-654-321

gd. ANYHERD GRANDDAM XYZ11-123

ggs. ANYHERD GREATGRANDSIRE XYZ11-876

ggd. ANYHERD GREATGRANDDAM XYZ11-654

## 1. Birth Type

'Got by AI' indicates whether the calf was a result of an AI service. If blank, the dam was naturally served. 'Natural calf' indicates the calf was born to its biological dam. 'ET calf' indicates the calf was born as a result of embryo transplant.

## 2. Myostatin

"Not tested" indicates that no Myostatin test is currently available for the animal. Full details on the Myostatin variants and their effects on performance can be found on the Limousin Society website [www.limousin.co.uk](http://www.limousin.co.uk), search in 'performance programmes'. In summary:

### The Variants:

|              |   |
|--------------|---|
| <b>F94L</b>  | Animals with two copies of this gene (ie F94L/F94L) exhibit an increase in muscling (by up to 19%) with <b>no</b> associated increased in calving difficulty, lowered fertility or longevity and by far the majority of animals in the breed carry this gene. Heterozygous animals (those with one copy of the gene) also exhibit these characteristics but not to the same degree.   |
| <b>NT821</b> | Animals with two copies of the gene (ie nt821/nt821) will exhibit characteristics of larger loin depths, reduced fat depths and large, rounded rump and thighs. However, unlike F94L, animals with two copies may also have slightly heavier birth weights bringing with it the potential for more difficult calvings. If animals are 'heterozygous' with F94L (ie F94L/nt821) they will still exhibit quality carcass characteristics but are less likely to be affected by more difficult calvings. |
| <b>Q204X</b> | Animals with two copies of the gene (ie Q204X/Q204X) will exhibit characteristics of larger loin depth, reduced fat cover and greater meat tenderness. However, they may also have the potential to exhibit larger birth weight and, if females, slightly reduced milking ability. Animals that are 'heterozygous' with F94L (ie F94L/Q204X) will still exhibit quality carcass characteristics but are less likely to be affected by larger birth weights and reduced milking ability.               |

Two further variants of Myostatin exist in the population but are relatively uncommon in their occurrence. Known as nt419 and E291X, their effects are similar to nt821 and Q204X respectively.

### The recognised benefits of Myostatin are:

- ✓ **Increased Meat Yield** – by up to 19%.
- ✓ **More feed efficient**
- ✓ **Higher meat quality** – increased tenderness, reduced fat content, higher polyunsaturated fats

## Using Myostatin information

**An important factor to remember is that carcase traits (muscling, fat cover etc), calving traits and milk traits in cattle are controlled by MANY genes. Myostatin is only one of them and, as such, it is not an absolute predictor of an animal's performance.**

A Myostatin genotype is a further bit of information that may help your decision, but it should be used in conjunction with wider information such as Estimated Breeding Values (EBVs), which bring together information of actual performance from the animal itself, its herdmates and its relatives to predict genetic merit, and your own judgment on type and pedigree.

### 3. Genetic Colour

Colour and polled/horned genes typically come in pairs called alleles. One is inherited from the sire and one from the dam. Where an animal's alleles are the same, it is said to be 'Homozygous' (Hom.) Where the alleles are different (because there is more than one variant of the gene, the animal is said to be 'Heterozygous' (Het.)

"Hom. Red" – animals will be red and will pass on red genes.

"Hom. Black" – animals will be black and will pass on black genes. All calves will be black, since black colour genes are dominant.

"Het. Black" – animals will be black and will pass on either a red or black gene.

"Het. Red" – animals will be red and will pass on a red gene or a colour gene known as the 'wild type' that is non-colour determinate. (The coat colour of calves inheriting the wild type gene will be governed by the gene they inherit from the other parent. It is rare, but it is also possible for an animal to be homozygous for the wild type gene, in which case they will be reddish/brown to brownish/black).

### 4. Genetics for Horned/Polled Status

A bull that is "Hom. Polled" - will be polled himself and all calves will be polled (since he only has polled genes to pass on and they are dominant).

A bull that is "Het. Polled" – will be polled himself and will produce some polled and some horned calves (assuming the cows are all horned).

A bull that is "Hom. Horned" – will be horned himself and will pass only horned genes to his calves.

For more information on both Genetic Colour and Polled/Horned, go to [www.limousin.co.uk](http://www.limousin.co.uk), search in 'performance programmes' or scan the QR code above.

## 5. Estimated Breeding Values and Genomic Estimated Breeding Values (EBVs & GEBVs)

EBVs & GEBVs are expressed in the same unit as the recorded trait (eg kgs for 400 Day Weight, mm for Muscle Depth etc) are relative to the Breed Average.

a) In sale catalogues, Breed Average for each trait is represented by the vertical line that is central on the bar chart...

- ✓ Bars that lie to the right of that line indicate EBVs/GEBVs that are above average. The further to the right they lie, the higher above Breed Average they are.
- ✓ Equally, bars that lie to the left of the line indicate EBVs/GEBVs that are below Breed Average. The further to the left they are, the further below Breed Average they are.

b) Accuracy Values (Acc%) are expressed as a % and indicate the quantity and quality of records used to produce each EBV, GEBV or Index. The closer they are to 100%, the more accurate the EBV. Highly accurate values are less likely to change over time.

c) The numeric EBV & GEBV values on the charts can be used to further refine comparison with the breed using the Breed Benchmark which is updated annually.

For more information on EBVs and GEBVs, go to [www.limousin.co.uk](http://www.limousin.co.uk) and search under 'Breed Improvement' in the main menu or scan the QR code opposite.

**EBV, GEBV and pedigree information on all Limousin cattle are just a few internet clicks away...**

**Step 1:** Go to [www.taurusdata.co.uk](http://www.taurusdata.co.uk)

**Step 2:** In the 'All Breeds Quick Search' box type the name or ear number of the animal you are interested in or click on the 'Breeder Search' button to look at all animals belonging to or bred by a particular breeder.

## 6. Adjusted Weights

These are the 'raw' weights recorded for the animal throughout its early growing stages. They are adjusted for age, but are not adjusted for any other factor such as management, nutrition, dam age, differences between farms etc.

For further information or if you have any query, please let us know - telephone 02476 696500, e-mail [info@limousin.co.uk](mailto:info@limousin.co.uk) or speak to Society staff and Council members attending the sale.

## 2021 Limousin Breed Benchmark

| Trait                     | Bottom       |              |              | Breed<br>Average | Top          |              |              |

| <b>Retail Value*</b>      | <b>LM15R</b> | <b>LM22R</b> | <b>LM26R</b> | <b>LM31R</b>     | <b>LM35R</b> | <b>LM40R</b> | <b>LM47R</b> |

For Enquiries: The British Limousin Cattle Society Tel 02476 696500 Email [info@limousin.co.uk](mailto:info@limousin.co.uk)

\* Where animals have been genotyped, the breeding values for these traits will be Genomic Breeding Values (GEBVs). Publication of GEBVs is at animal owners' discretion. If an animal has not been genotyped, the breeding value will be a conventional Estimated Breeding Value (EBV). Whether a breeding value is an EBV or a GEBV is noted alongside each value.

Please note that EBVs and GEBVs are interchangeable for the same trait. For example, an animal with a Calving Interval GEBV can be directly compared to an animal with a Calving Interval EBV. A link to further information on all EBVs and GEBVs is below.

## FOR INFORMATION

### Breeding Indexes

EBVs can be combined in to selection indexes to meet wider breeding objectives...

|                      |   |
|----------------------|---|
| <b>Calving Value</b> | An economic indicator of the collective value of Gestation Length and Calving Ease  |
| <b>Beef Value</b>    | An economic indicator of the collective value of Birth Weight, Calving Ease, 400-Day Growth, Muscle Depth and Backfat Depth   |
| <b>Retail Value</b>  | An economic indicator of the collective value of Fillet, Striploin, Rump, Topside, Silverside and Knuckle at 600 days of age and a standard carcass weight of 350kgs. |

### NB: Using Calving Ease and Maternal Calving Ease

**Calving Ease EBV** *Predicts how easy a bull's own calves will be born.*

**Maternal Calving Ease EBV** *Predicts how easily a bull's daughters will calve.*

**To search the Limousin database by Breeder, by EBVs/GEBVs and/or by Individual Animal go to [www.taurusdata.co.uk](http://www.taurusdata.co.uk) and click on 'Beef Search'**

**For more information on EBVs and GEBVs please go to [www.limousin.co.uk](http://www.limousin.co.uk) and click on 'Performance Programmes' or get in touch on the numbers below.**

For Enquiries: The British Limousin Cattle Society Tel 02476 696500 Email [info@limousin.co.uk](mailto:info@limousin.co.uk)

## **AUCTIONEER'S TERMS & CONDITIONS OF SALE**

1. The biddings to be regulated by the Auctioneers and the highest bidder, subject to the Vendor's reserve (if any), will be the purchaser. No bid shall be retracted and if any dispute should arise between two or more bidders, the lot in dispute to be put up again and resold, or the Auctioneers may determine the dispute at their own discretion and their decision shall be final. The Auctioneers reserve the right to refuse the bid of any person without being called upon to give reason for such action.
2. The Purchaser to give his full name and dwelling place and pay for all Lots purchased immediately at the close of sale. No Lot or Lots shall be removed from the sale premises until paid for and a pass-out slip obtained from the Auctioneer's office but each and every Lot shall immediately at the fall of the hammer be considered as delivered and be and remain in every respect at the absolute risk and expense of the respective purchaser or purchasers thereof and shall be removed from the sale premises at the purchaser's expense. The right of property shall not pass until the full purchase price is paid.
3. Purchasers paying by cheque must be prepared, if required, to produce a banker's reference. As a result of the Money Laundering Regulations (2003) the auctioneers are unable to accept cash payments in excess of nine thousand pounds sterling for any single or linked purchase transaction.
4. All statements in the catalogue, or made by the Auctioneers at the time of sale, also the correct identification of the animals, are the entire responsibility of the Vendors. The Auctioneers take no personal responsibility for the correctness of such statements or identities.
5. All statements in the catalogue, or any made by the Auctioneers at the time of sale relating to any veterinary or other tests are to be taken as statements of fact only. No such statements shall guarantee the purchaser of any animal against loss arising from the subsequent reaction of such animal to any test administered after the sale and the Vendors shall not be liable in any way should this occur.
6. All stock is sold subject to the Conditions of Sale recommended for use at markets by the Livestock Auctioneers' Markets Committee for England and Wales except in so far as these conflict with any Special Conditions applicable to the sale of pedigree stock, when the latter Conditions shall prevail.
7. Neither the Vendors nor the Auctioneers will be responsible for any accident or injury to persons or property, through fire or any other cause whatsoever, nor for any damage by animals prior to, during or after the sale.
8. No undertaking by the Auctioneers or their servants to take charge of any Lot or Lots after the sale or to forward them to their destination shall be held to impose upon the Auctioneers any legal obligation or vitiate any of these Conditions.
9. In as much as the Auctioneers act as agents for a disclosed principal they shall not be considered personally responsible for any default on the part of either purchasers or Vendors and the remedy shall be against them only and not against the Auctioneers.
10. If these conditions are unfulfilled, the Vendors or Auctioneers shall have the power to resell the Lots, retaining any surplus and charging any deficiency and expense to the defaulter.
11. You have a right to know how we will use the information you have provided to us. We may share the information with other members of our group and may make this information available to relevant media groups and other interested parties on request. If you do not want to be contacted for marketing purposes or do not wish your information to be made available to any other parties, please notify us in writing.

## Melton Mowbray Market is officially online!

Please follow the steps below for live online bidding

1. Click the link below to find Melton Mowbray Market on Marteye:

<https://meltonmowbraymarket.marteye.ie/>

2. Click sign in to create a Marteye account.

If you are a new customer please ensure you have created an account with the office prior to creating a Marteye account, you will then be issued with a Melton Market account number.

For new and existing customers please put your herd number as you Melton account number.

To create a Marteye account, you will either need a gmail account, or sign up with your mobile number. If you have an existing account, you will not be able to amend your details to add your Melton account number.

3. Once your account has been created click join to request to bid at Melton Market.

4. Once your request has been approved you will be all set to bid away. Simply head to our home page and select the sale you are interested in and enable the bidding button.

If you have any queries, or need to create a Melton Market account, please call 01664562971

Happy Bidding!

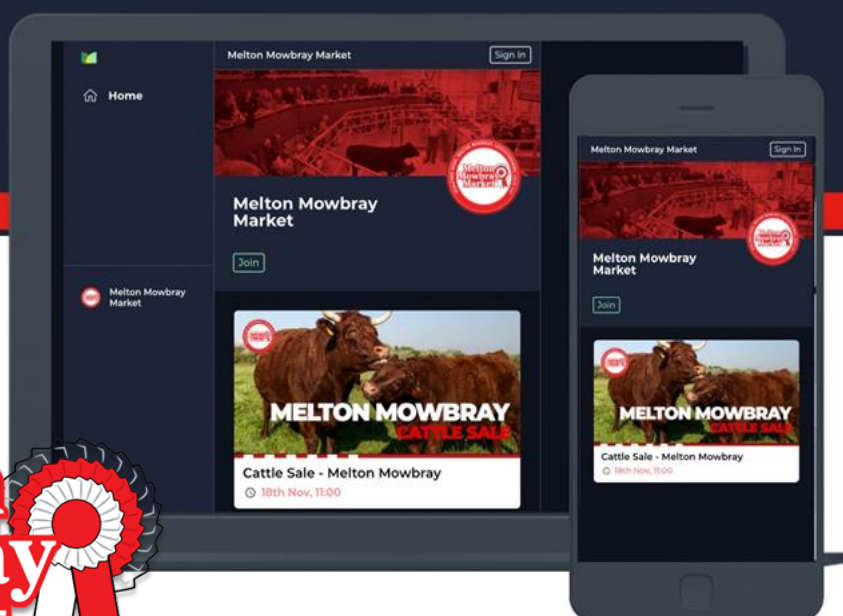

# ONLINE BIDDING NOW AVAILABLE

Simply Download the **MartEye App** from your phone App Store & Register.  
Then press the **JOIN** button on the Melton Mowbray Page

ALSO AVAILABLE ON WEBSITE:

[meltonmowbraymarket.marteye.ie](https://meltonmowbraymarket.marteye.ie)
