AGM, MEAL & FARM VISIT TO THE SOUTHMOOR HERD – SUNDAY 19TH SEPTEMBER

We had a super day on Sunday, it definitely must be a first where the Judge has 20 Herds to judge, travelling right across the South West Region, in 2 trips from Sunday to Sunday! Our Thanks go to Dyfan James from the Cowin Herd who also managed to get back to his home farm

at Carmarthanshire, for 2 days mid week! We welcomed Dyfan and his wife Carol to the meal on the Sunday.

Our AGM was held at the Duck, Burtle. Present was our Society Chairman, Harry Parker.

Patrick Greed, Club Chairman reported on the how two years had flown by; due to covid restrictions we had been unable to get together in 2020.

Patrick thanked everyone for all the help and support and gave a report on the accounts. Harry Parker, Caroline Nott, Kate Lanfear, Patrick Greed,

Adam Smith, Mark Quick, Geoff Hollow and Diane Richards were all due to retire by rotation. Caroline, Mark, Geoff and Diane said they would stand down. Harry, Kate, Patrick and Adam were all re-elected on bloc. Diane was re-elected as Secretary and Caroline as Treasurer with a request for both to stay on the committee carried unanimously. Our regional Council member Harry Parker gave his report. Patrick asked for the members thoughts on Sales for 2022, and it was decided to keep Exeter and Holsworthy as normal. The meeting was then open to the South West members for Society discussion with Harry Parker.

A lovely lunch followed and Dyfan James presented the Herd Cups, awards and plaques

From the Duck, we popped a couple of miles towards Mark to visit the Southmoor Herd by kind permission of Harry and the Porter Family. Our South West Limousin Annual Sunday meet up with everyone was fantastic, and finished off by riding around some super Pedigree and Commercial Cattle and on a pleasant sunny afternoon here on the Somerset Levels! Our Thanks go to John, Karen, Harry & Lily for giving us such a lovely Herd visit followed by delicious refreshments.
