## TIMETABLE OF EVENTS

<b>Friday 8<sup>th</sup> April</b>	Arrival of stock Bull Inspection/Vetting ( <b>Please note veterinary cattle inspection is Friday only</b> ).	<b>2.00pm onwards</b> <b>4.00pm -7.00pm</b>
<b>Saturday 9<sup>th</sup> April</b>	Arrival of females not requiring inspection Judging start time Sale commencing	<b>6.30am-7.30am</b> <b>9.00am</b> <b>11.00am</b>

On behalf of Melton Mowbray Market, we would like to kindly thank the following:

**Judge: Mr Alan Morgan, County Durham (Almande Herd)**

**Stewards: Martin Lloyd, John Gent, David Burns, Phil Cookes**

**LAA REGULATIONS & NBA WARRANTIES:** The Sale will be held subject to the LAA (Livestock Auctioneers Association) Rules, Regulations & Bye Laws of the respective Societies and all animals subject to the Fertility Guarantees as recommended by the NBA. Full copies of NBA Regulations can be obtained from the Auctioneer.

**METHOD OF SALE:** All pedigree cattle will be sold in Guineas (105 Pence) and strictly in catalogue order unless any alterations are announced by the auctioneers.

**ONLINE BIDDING:** Online bidding is available via Marteye....

Log onto <https://meltonmowbraymarket.marteye.ie/> for further details to register.

**\*\*Please register no later than 48 hours prior to the sale\*\***

**COMMISSION AND SOCIETY LEVIES:** All pedigree cattle will be sold subject to a commission of 5%. Respective Society Levies will be collected on their behalf at the normal rate.

**VETERINARY INSPECTION:** For the buyer's convenience, a veterinary inspection will be carried out on all pedigree stock for sale. All pedigree Stock must be haltered for inspection and will be paraded. The vet will examine the general health and genetic defects particularly teeth, eyes, testicles, warts and movement. Any animal found with a genetic fault, disease or disorder will be rejected. Weights and scrotal sizes should be within the Society Guidelines. Commercial and unaltered production females will be inspected in their pens by a Society Inspector. All cattle entered for the sale will have their UK Tags examined as an integral part of the pre-sale inspection procedure.

**SETTLEMENT AND CLEARANCE OF STOCK** - Settlement in full is due immediately at the close of Sale. No animal may leave the Sale Premises without an official 'Pass Slip', obtainable only from the Auctioneers upon settlement.

**RESERVE PRICES** — Vendors shall have the right to refuse to accept the final bid for their animals.

**STRAW**- Straw will be provided by Melton Mowbray Market and charged at the rate of £4 per Animal which will be deducted from the vendor after sale.

**PRE-SALE INSPECTION- BULLS:** All bulls must be available for inspection, as per the timetable of events. A Veterinary Officer will examine all bulls forward for general health and genetic defects, particularly teeth, eyes, testicles, warts and locomotion. Appointed Society Inspector will check general conformation, locomotion and breed characteristics and temperament. Any animal discovered with a genetic fault, disease or disorder will be REJECTED. Animals will be placed in a crush for this inspection - as required by the Veterinary Officer. The Veterinary inspection will form an integral part of the pre-sale inspection procedure. Please note - "All animals are subject to a pre-sale inspection to provide a minimum standard and animals are sold with all patent defects, and any subsequent claim after the fall of the hammer is against the vendor and not The British Limousin Cattle Society Ltd".

**IDENTIFICATION MARKS:** At the point of inspection all animals born after 01 January 1998 must be clearly identified in accordance with bye-law 3.12. This includes all calves at foot.

**MARGINAL TEETH** - Any bull found to have marginal teeth when inspected will have their sale ticket marked in yellow.

**BLCS RECORDED WEIGHTS** - All bulls will be weighed by BLCS Officials as an integral part of the pre-sale inspection procedure. Official weights (in kgs) will be displayed above each pen.

**EVERY BULL** entered for the Sale, **MUST BE ADEQUATELY TRAINED TO LEAD BY HALTER** and **MUST BE PARADED FOR INSPECTION** unless exempted by the Stewards, at the time and place to be notified. Evidence of faults of temperament, vices, etc., may lead to disqualification. All bulls must be provided with a serviceable halter, which will become the property of the purchaser. Please ensure all cattle passport documentation is handed to the Market Sales Office upon arrival. Failure to do so or if for any reason the paperwork does not correspond to the cattle being offered for sale, such animals will be not be put forward for the auction. The proceeds of sale are guaranteed by the Auctioneers, however, this does not extend to the animals sold for export, to which special conditions apply.

**PEDIGREE TRANSFERS:** Official Pedigree Transfers will be effected by the Auctioneers and the British Limousin Cattle Society as soon as possible after the Sale. Full Pedigrees will be transferred free of charge to all members.

**UPSET PRICES:** There will be an 'Upset' price of 2000 guineas on each bull presented for sale and an 'Upset' price of 800 guineas on each female presented for sale. - i.e. if no opening bid of 2000 guineas is received for a bull, that lot will be passed out of the ring unsold.

**NBA WARRANTIES:** This Sale is also held subject to the Special Terms and Conditions of Sale recommended for Sales of Pedigree Beef Cattle by the National Beed Association. The preparation of these Terms and Conditions has proved a lengthy and costly process and, in order to defray the legal and other costs involved, and to provide a continuing source of revenue to assist the Association in its vital work for Pedigree Cattle Breeders, the Council of the Association has decided that a special levy, amounting to £3 per male and £2 per female head/lot sold (plus VAT) shall be charged to each Purchaser.

### **BIOSECURITY NOTICE:**

**Please read and observe the following:**

- Excessive dirty vehicles will not be allowed entry, therefore ensure vehicle is clean before arrival.
- All vehicles transporting livestock will be subject to a documentation check before entry to market site.
- All visitors and traders must ensure they wear clean clothing and footwear before entering the marketsite.
- All visitors and traders using car park areas please use main entrance.
- Hauliers and farmers delivering livestock must disinfect their boots before and after loading or un-loading.
- Livestock purchased or unsold will not be allowed to move unless an authorised "pass slip" has been issued by the main office
- No livestock will be allowed to remain on the premises after a sale.
- Only staff, livestock hauliers, owners or their agents are permitted to load or unload livestock.
- Wash hands thoroughly when leaving pennaage areas.
- Please observe our staff's instructions at all times.

## Vendors' Index

The pedigree, performance, DNA, health information and footnotes included in Society sale catalogues is as supplied by, or on behalf of the vendor. The responsibility for the accuracy of the information therefore rests solely with the vendor and not with the British Limousin Cattle Society Ltd (BLCS). It should be noted that the Estimated Breeding Values for all animals change over time, as new performance records come available. While the BLCS and Genesure Ltd seek to ensure that the information contained in catalogues is accurate at the time of printing in accordance with their terms and conditions, no warranty is given in respect thereof by the BLCS and, to the maximum extent permitted by law, the BLCS shall have no liability for any loss, damage or injury howsoever caused (including that caused by negligence) or suffered directly or indirectly in relation to information and opinions contained in or omitted from this publication. Genesure Ltd's liability is limited to the extent set out in its terms and conditions (a copy is available from the BLCS office upon request).

Outstanding heterozygous polled bull, sired by Knock Maximum whose genetics include Loosebeare Fantastic and Bankdale Alice. On the dam side Bailea BMW and Ballymoney Veronica speak for themselves. McTurk Laconic is one of the herd's best cows. Rajasthan's Beef Value of 54 places him in the top 1% for the breed.

Her Bull Calf at foot **CALOGALE SPARTAN**  
 Born 07/11/2021 LIC21-0147 UK 752063/700147  
 Sire: MEADOWRIG PEDRO RLA19-0250

Service Details Ran from 14/11/2021 until 9/04/2022 with **MEADOWRIG PEDRO RLA19-0250**  
 Has been PD'd in-calf approximately 9 weeks on 02/03/2022

Jessiej descends from the great Baileys Countess who was awarded numerous prestigious titles in Ireland before being exported to the UK. She is a very milky, easy fleshing, genuine hard working cow. Her bull calf at foot (Spartan) is the very first Meadowrig Pedro offspring to leave the Calogale herd and he is full of potential for the future. This outfit is only offered for sale as we have to sell senior females from the herd every year to make room for the youngstock coming through.

Calogale Roxette descends from the great Lourie Dazzle who was the original foundation female for the Calogale herd. The herd itself was the overall Winner of the 2021 Herd Competition and we also secured the winners plaque for the best youngstock category as well as numerous individual awards. Bernish Memphis (sire) fathered most of the young stock on display that day and he also sired the senior champion bull at Carlisle February 2022. Roxette is a heifer with lots of potential..

## COMMERCIAL BULLS & FEMALES

Lot H G Sharman & Son

81 – 2 Pedigree Bred Unregistered Limousin Bulls, 24 months

82 *Semen tested, BVD, IBR & Lepto Free, never had a case of Johnes  
TB4*

Lot H G Sharman & Son

83 – 6 Pedigree Bred Unregistered Limousin Heifers, 10 months

88 *BVD, IBR & Lepto Free, never had a case of Johnes, TB4*

Lot K Appleby

89 Pedigree Bull 'Appleby Rocky'

Born 29/05/20

UK141013103622

Sire: Loosebeare Lumpy

Dam: Harrison Davinia

*Johnes & BVD Free (Blood tested), served one Cow & PD+ in calf,  
will be TB tested before sale, TB4.*

Lot S Maplethorpe

90 Pedigree Limousin Cow, 3 years old with Pedigree Sired calf at  
foot, 2 months old, TB4

Lot Lowesby Farms

91 Limousin x Steer, 12 months, TB1

Lot Lowesby Farms

92 Limousin x Heifer, 12 months, TB1

LIMOUSIN

## HOW TO USE GENETIC INFORMATION IN THIS CATALOGUE

Sale catalogues contain specific information relating to the genetics of each animal. This is a short explanatory note to assist when selection decisions are being made.

## 1 Birth Type

'Got by AI' indicates whether the calf was a result of an AI service. If blank, the dam was naturally served. 'Natural calf' indicates the calf was born to its biological dam. 'ET calf' indicates the calf was born as a result of embryo transplant.

## 2 Myostatin

"Not tested" indicates that no Myostatin test is currently available for the animal. Full details on the Myostatin variants and their effects on performance can be found on the Limousin Society website [www.limousin.co.uk](http://www.limousin.co.uk), search in 'performance programmes'. In summary:

### The Variants:

<b>F94L</b>	Animals with two copies of this gene (ie F94L/F94L) exhibit an increase in muscling (by up to 19%) with <b>no</b> associated increased in calving difficulty, lowered fertility or longevity and by far the majority of animals in the breed carry this gene. Heterozygous animals (those with one copy of the gene) also exhibit these characteristics but not to the same degree.
<b>NT821</b>	Animals with two copies of the gene (ie nt821/nt821) will exhibit characteristics of larger loin depths, reduced fat depths and large, rounded rump and thighs. However, unlike F94L, animals with two copies may also have slightly heavier birth weights bringing with it the potential for more difficult calvings, If animals are 'heterozygous' with F94L (ie F94L/nt821) they will still exhibit quality carcase characteristics but are less likely to be affected by more difficult calvings.
<b>Q204X</b>	Animals with two copies of the gene (ie Q204X/Q204X) will exhibit characteristics of larger loin depth, reduced fat cover and greater meat tenderness. However, they may also have the potential to exhibit larger birth weight and, if females, slightly reduced milking ability. Animals that are 'heterozygous' with F94L (ie F94L/Q204X) will still exhibit quality carcase characteristics but are less likely to be affected by larger birth weights and reduced milking ability.

Two further variants of Myostatin exist in the population but are relatively uncommon in their occurrence. Known as nt419 and E291X, their effects are similar to nt821 and Q204X respectively.

### The recognised benefits of Myostatin are:

- ✓ **Increased Meat Yield** – by up to 19%.
- ✓ **More feed efficient**
- ✓ **Higher meat quality** – increased tenderness, reduced fat content, higher polyunsaturated fats

## Using Myostatin information

**An important factor to remember is that carcass traits (muscling, fat cover etc), calving traits and milk traits in cattle are controlled by MANY genes. Myostatin is only one of them and, as such, it is not an absolute predictor of an animal's performance.**

A Myostatin genotype is a further bit of information that may help your decision, but it should be used in conjunction with wider information such as Estimated Breeding Values (EBVs), which bring together information of actual performance from the animal itself, its herdmates and its relatives to predict genetic merit, and your own judgment on type and pedigree.

## 3 Genetic Colour

Colour and polled/horned genes typically come in pairs called alleles. One is inherited from the sire and one from the dam. Where an animal's alleles are the same, it is said to be 'Homozygous' (Hom.) Where the alleles are different (because there is more than one variant of the gene, the animal is said to be 'Heterozygous' (Het.)

"Hom. Red" – animals will be red and will pass on red genes.

"Hom. Black" – animals will be black and will pass on black genes. All calves will be black, since black colour genes are dominant.

"Het. Black" – animals will be black and will pass on either a red or black gene.

"Het. Red" – animals will be red and will pass on a red gene or a colour gene known as the 'wild type' that is non-colour determinate. (The coat colour of calves inheriting the wild type gene will be governed by the gene they inherit from the other parent. It is rare, but it is also possible for an animal to be homozygous for the wild type gene, in which case they will be reddish/brown to brownish/black).

## 4 Genetics for Horned/Polled Status

A bull that is "Hom. Polled" - will be polled himself and all calves will be polled (since he only has polled genes to pass on and they are dominant).

A bull that is "Het. Polled" – will be polled himself and will produce some polled and some horned calves (assuming the cows are all horned).

A bull that is "Hom. Horned" – will be horned himself and will pass only horned genes to his calves.

For more information on both Genetic Colour and Polled/Horned, go to [www.limousin.co.uk](http://www.limousin.co.uk), search in 'performance programmes' or scan the QR code above.

## 5 Estimated Breeding Values and Genomic Estimated Breeding Values (EBVs & GEBVs)

EBVs & GEBVs are expressed in the same unit as the recorded trait (eg kgs for 400 Day Weight, mm for Muscle Depth etc) are relative to the Breed Average.

- a) In sale catalogues, **Breed Average** for each trait is represented by the vertical line that is central on the bar chart... **a**
- ✓ Bars that lie to the right of that line indicate EBVs/GEBVs that are above average. The further to the right they lie, the higher above Breed Average they are.
  - ✓ Equally, bars that lie to the left of the line indicate EBVs/GEBVs that are below Breed Average. The further to the left they are, the further below Breed Average they are.
- b) Accuracy Values (Acc%) are expressed as a % and indicate the quantity and quality of records used to produce each EBV, GEBV or Index. The closer they are to 100%, the more accurate the EBV. Highly accurate values are less likely to change over time. **b**
- c) The numeric EBV & GEBV values on the charts can be used to further refine comparison with the breed using the Breed Benchmark which is updated annually.

For more information on EBVs and GEBVs, go to [www.limousin.co.uk](http://www.limousin.co.uk) and search under 'Breed Improvement' in the main menu or scan the QR code opposite.

### EBV, GEBV and pedigree information on all Limousin cattle are just a few internet clicks away...

**Step 1:** Go to [www.taurusdata.co.uk](http://www.taurusdata.co.uk)

**Step 2:** In the 'All Breeds Quick Search' box type the name or ear number of the animal you are interested in or click on the 'Breeder Search' button to look at all animals belonging to or bred by a particular breeder.

The site will then tell you the animal's owner/breeder details, its breeding values, its pedigree and list its progeny with full links to all of their information.

## 6 Adjusted Weights

These are the 'raw' weights recorded for the animal throughout its early growing stages. They are adjusted for age, but are not adjusted for any other factor such as management, nutrition, dam age, differences between farms etc.

For further information or if you have any query, please let us know - telephone 02476 696500, e-mail [info@limousin.co.uk](mailto:info@limousin.co.uk) or speak to Society staff and Council members attending the sale.

## 2022 Limousin Breed Benchmark

Trait	Bottom			Breed Average	Top		
	1%	10%	25%		25%	10%	1%

# ONLINE BIDDING NOW AVAILABLE

Simply Download the **MartEye App** from your phone App Store & Register.  
Then press the **JOIN** button on the Melton Mowbray Page

ALSO AVAILABLE ON WEBSITE:

[meltonmowbraymarket.marteye.ie](http://meltonmowbraymarket.marteye.ie)

**MartEye**

## **Melton Mowbray Market is officially online!**

Please follow the steps below for live online bidding

1. Click the link below to find Melton Mowbray Market on Marteye:

<https://meltonmowbraymarket.marteye.ie/>

2. Click sign in to create a Marteye account.

If you are a new customer please ensure you have created an account with the office prior to creating a Marteye account, you will then be issued with a Melton Market account number.

For new and existing customers please put your herd number as you Melton account number.

To create a Marteye account, you will either need a gmail account, or sign up with your mobile number. If you have an existing account, you will not be able to amend your details to add your Melton account number.

3. Once your account has been created click join to request to bid at Melton Market.
4. Once your request has been approved you will be all set to bid away. Simply head to our home page and select the sale you are interested in and enable the bidding button.

**If you have any queries, or need to create a Melton Market account,**

**please call 01664562971**

**Happy Bidding!**

# ***NOTES/BIDDING NUMBER***

# 2022 SALE DATES

## MARCH

**SAT**  
26

**MULTIBREED HIGH HEALTH PEDIGREE CATTLE SALE, INCLUDING THE LINCOLN RED CATTLE SOCIETY PREMIER SPRING SALE**

## APRIL

**SAT**  
9

**BRITISH LIMOUSIN CATTLE SOCIETY SPRING SHOW & SALE**

**SAT**  
23

**SPITALFIELDS SALE INCLUDING THE BRITISH WHITE CATTLE SOCIETY SHOW & SALE & SALE OF POULTRY (TBC)**

## MAY

**SAT**  
7

**MAY SPRING FLING - SALE OF PEDIGREE & COMMERCIAL EWES WITH LAMBS AT FOOT - ANNUAL PRODUCTION SALE ON BEHALF OF DS & LE WADLAND OF BELTEX EWES WITH SHOW POTENTIAL LAMBS AT FOOT**

**SAT**  
28

**BEEF SUCKLER DAY FEATURING A & C FARMS PRODUCTION SALE & DISPERSAL OF THE ROCKERDAM LIMOUSIN HERD, ON BEHALF OF R CATLIN, BROTHERTOFT & SALE OF POULTRY (TBC)**

## JUNE

**Saturday 4th June**

*Kenilworth & Rutland Show*

**SAT**  
18

**SATURDAY SPECTACULAR POULTRY SALE (TBC)**

**Wednesday 22nd & Thursday 23rd June**

*Lincolnshire Show*

**Wednesday 29th & Thursday 30th June**

*Royal Norfolk Show*

## JULY

**SAT**  
23

**SATURDAY SPECTACULAR POULTRY SALE (TBC)**

## AUGUST

**Saturday 6th August**

*Blakesley Show Show*

**TUE**  
16

**OPENING BREEDING SHEEP FAIR (AFTERNOON SALE)**

**SAT**  
20

**SATURDAY SPECTACULAR POULTRY SALE (TBC)**

## SEPTEMBER

**SAT**  
3

**PEDIGREE MULTIBREED BREEDING SHEEP SALE, INCLUDING THE ANNUAL PRODUCTION SALE ON BEHALF OF CD TIMM, YORKSHIRE**

**FRI SAT**  
9 10

**TRADITIONAL & NATIVE BREED SHOW & SALE & SALE OF GRADED POULTRY**

**FRI**  
16

**2ND MIDLANDS BREEDING SHEEP FAIR & EWE LAMB SALE & NSA RAM SHOW & SALE - BEER & CIDER FESTIVAL**

## OCTOBER

**TUE**  
4

**OCTOBER RAM FAIR (AFTERNOON SALE)**

**SAT**  
22

**EAST MIDLANDS BRITISH LIMOUSIN CATTLE BREEDERS CLUB SHOW & SALE**

**SAT**  
29

**SALE OF PEDIGREE & COMMERCIAL BREEDING CATTLE & SHEEP**

## NOVEMBER

**SAT**  
26

**WINTER WARMERS SHOW & SALE OF IN LAMB PEDIGREE & COMMERCIAL SHEEP**

## DECEMBER

**SAT**  
3

**MELTON & BELVOIR AGRICULTURAL FATSTOCK SHOW & SALE**

**MON**  
5

**WINSLOW PRIMESTOCK SHOW & SALE (TBC)**

**TUE**  
20

**SALE OF DRESSED CHRISTMAS TABLE POULTRY**
