We hope it is enjoyable for all and a fantastic showcase for our breed.***

WELCOME TO THE 2022 NATIONAL LIMOUSIN SHOW
Hosted by the British Limousin Cattle Society

BLCS Honorary President's Foreword

What a pleasure it is to welcome you to what is the showcase of the 50th Anniversary Weekend of the British Limousin Cattle Society.

First, on Friday a show of the top Limousin-cross cattle from across the UK. It is the quality of these cattle week-in week-out to the butchers and meat trade that drive the demand for Limousin bulls to cross onto a huge range of cow types and environmental situations, so a big thank you to everybody out there using a pedigree Limousin bull on your cows.

Then on Saturday we have the largest and best show of pedigree Limousin cattle that we have seen in the UK for many a year with about 160 animals entered from almost 50 different herds. Herds from the south of Devon to the north of Scotland, this promises to be a spectacle that the true beef animal producer and Limousin enthusiast will not want to miss.

Thanks go out to all those who have made this happen: to the four Judges - Christian Laloi & Paul Sykes for the pedigrees and Jim Quail & Louise Forsyth for the commercials; to Stuart Renton, Brian Wills and Clive Groves for their work as stewards; to H&H for all their help over the two days; to the staff at the Limousin office for all the work that has gone on behind the scenes, but most of all to the exhibitors for bringing forward their animals - without them we would not have a show.

I hope you all enjoy the shows and thank you for supporting us.

Craig Ridley
President, British Limousin Cattle Society

National Limousin 50th Anniversary Show – Exhibitor information

A big thank you is extended to all exhibitors for entering and participating at the National Limousin 50th Anniversary Show. We hope you have an enjoyable and rewarding couple of days. Please find below information to help with the smooth running of the event and contact details for enquiries.

Stewarding

The National Limousin 50th Anniversary Show is being overseen at Borderway Mart by the event's appointed Chief Steward, Stuart Renton, along with his experienced stewarding team of Brian Wills and Clive Groves. All have helped run previous National Shows held in 2011 & 2016. Harrison & Hetherington have also kindly offered their auctioneers and market staff to assist throughout the event.

Upon Arrival

Please take your cattle passports to the mart office. You will be given an envelope containing your animals' neck tag numbers as well as any tickets ordered for the Exhibitor Dinner and/or Anniversary Supper plus a commemorative 50th rosette. These are a memento for you to keep and do not need to be exhibited on cattle.

Stalling

Please note that pedigree cattle will be stalled by Limousin Club region, and a plan will be available in the loading bays to guide you to your pen. There will be a limited amount of straw available at the mart so please bring any additional bedding you may wish, as well as feed.

The Bill Callion trophy for Tidy Lines will be awarded for the best region in the opinion of our invited judge.

Commercial cattle will be stalled separately, and sale animals will also be in their own designated area.

Show Class Allocation and Exhibitor Briefing

The Stewards will be responsible for weighing of the commercial cattle (Thurs 3.30-5pm – see full timetable below) and will then allocate them into classes by weight. Pedigree classes may also be split depending on numbers forward.

There will be a short exhibitor briefing and Q&A in Ring 3 at 6pm on Thursday. It would be appreciated very much if all exhibitors could attend.

Exhibitor Supper (Thursday evening) and Anniversary Dinner (Friday evening)

All ordered tickets for the Exhibitor Supper (Thursday night) and the Anniversary Dinner (Friday evening) will be enclosed within the envelope collected from the mart office when cattle passports are handed in.

A small number of additional tickets will be available to purchase on the door for the Exhibitor Supper on the Thursday evening (price £12 incl VAT). These will be available on a first-come, first-served basis.

Entry Rebate

A reminder that £20/entry will be refunded to all exhibitors for each entry that is presented at the show. All members with BLCS accounts will be credited. Non-members will be contacted by the Society office.

Young Handlers Competition

During the Friday and Saturday, a Young Handlers competition will be held. The prizegiving will be at the conclusion of the pedigree championships on Saturday afternoon.

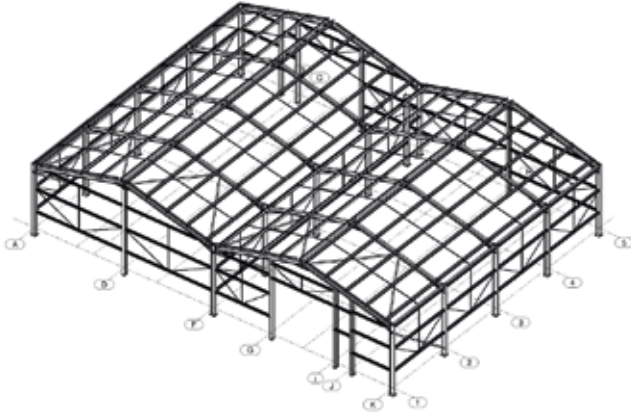

- Open to all young stockpersons aged 16-28
- Free-to-enter
- Complimentary 50th Anniversary tie
- Collect an armband 8.30-9am on Friday from the Society stand in the Show Hall
- Prize to the winner of £50 cash

The competition will be judged by an unobserved judge who will be looking for demonstration of skills in cattle handling and show preparation as well as general tidiness and preparedness for beef cattle classes. Please encourage all young people involved with your party to join in.

LIMOUSIN MEMORIES - A FRENCH PERSPECTIVE

By Jean-Luc Kress

Some recollections of the first importation of Limousin cattle from France to the UK

February 1971 - 155 heifers, 24 bulls come out of quarantine. The buyers are a combination of breeders and AI centres. The animals have been selected by a buying mission of five breeders and two representatives of the UK Ministry of Agriculture.

One of those breeders was Jack Bedell who had first seen Limousin cattle at the 'Salon de l'Agriculture' in Paris in 1967. Jack became the first Chairman of the BLCS from 1971 until 1978. Others included Mike Keeble - a great promoter of the Limousin breed as well as being involved with Dieter Jobst (Meat Marketing Board) on the genetic improvement programme.

These 179 Limousin cattle were selected from four regions of France - Haute-Vienne, Corrèze, Creuse and Indre - and from a large number of herds, giving a wide variety of bloodlines and thus providing a strong and varied base from which to build the Limousin breed in the UK.

Please refer to Figure One, a list of the imported animals together with the names of the French breeders. In 1991, David Dick, the Chairman of BLCS at that time, gave this list in the form of a commemorative certificate to the Chairman of the French Herdbook, Louis de Neuville, to mark the 20th Anniversary.

We cannot forget some of these bulls who put their stamp on their progeny - FANFARON (Flacassier), FILOU (Bourbon), FAVORI (Dumas), FLEUR D'OR (Lesage), FRISSON (Chastanet) and FILIN (Domaine de Pompadour).

Over a period of seven years, 'Mr Limousin' Louis de Neuville, and Jack Bedell worked closely together, building the foundation of our Golden Limousin breed in the UK.

In the following years, we cannot forget other pioneers who joined this brilliant adventure. In the fifteen years between 1971 and 1985, 2,008 pedigree Limousin cattle were imported from France.

There were many personalities. One was Yvonne Forster of the Tanhill Herd. King & Yvonne Forster had their list of favourite herds to visit each time they came to France, such as MM Bourbon, Peyrot and Chastanet, and their choices gave them good show results with Ouste, Octobre, Lavande, Radieuse and others. One great memory I have was driving their Silver Shadow Rolls Royce!

Another character was Jim Goldie (Goldies) with his 'secretary' Kay - fast, sharp, intransigent on good legs! Then there was Dan Haak (Uplands), one of his partners, who also played a key rôle in introducing top genetics.

Matt & Margaret Ridley (Haltcliffe) came a few years later in 1979. Matt was looking for well-balanced, feminine heifers. Craig and Shiela spent their honeymoon trip in the Limousin region which certainly must mean something! Then came Norman Cruickshank (Normande), Drew Adam (Newhouse), Keith Redpath (Redpaths) and Doug Edgar (Shire) - all great guys - but difficult to handle in the evening! George Hutton (Cloughhead), a fine chap who always arrived in his camper-van, on his way down staying for the night at Domaine des Forges. William Mulligan & Jim Quail (Tango and Lynderg) - good judgement. I learned the meaning of 'back-wheels' on a bull with sweet William. David Thomlinson, the best Limousin auctioneer, who was always helpful each time I attended Carlisle sales. Richard Beale (Maudley), a great friend of Louis, and Aled Edwards (Dyfri) were great international promoters of British Limousin during those early years.

In writing, I am trying to show that if Limousin cattle have become one of the main breeds in the UK, it is due to the actions of British breeders like these, who not only took a risk to introduce a non-native breed of cattle but most importantly showed their great ability in selecting the right ones.

Over the years I have met many great people, and I apologise that I have not been able to mention everyone, and I have truly enjoyed this opportunity of remembering some very good old times!

All the best to you all as you celebrate 50 fantastic years of the British Limousin!

First Limousin imports to U.K. Quarantine

Class 7

Limousin Cow born on or between 01/01/19 and 31/12/19. In-calf or with calf at foot. Calf must not be more than 9 months old on day of show
