Foreword

COLUMBJOHN FARM LTD.

Columbjohn, Rewe, Exeter, Devon, EX5 4ER

Kivells are delighted to have received instructions on behalf of Patrick and Sheila Greed to conduct this reduction sale of their "Killerton" herd of Pedigree Limousins which is being removed to Exeter Livestock Centre for convenience of sale on Friday 14th July.

The decision has been made to hold this reduction sale due to landlords ceasing the tenancy in order to rewild, create parkland, extend a wood and open land to the public. A reduced number will be kept on owned ground.

The Killerton herd was established in 1995 when the decision was made to move from a commercial suckler herd to a pedigree herd. The herd was run at around 180 cows plus followers prior to the reduction sale in 2021, and run at 100 cows plus followers since, with the focus being on producing easy calving animals with high growth rates, plenty of milk and excellent temperaments. Top quality bulls have been purchased and AI has been used selectively. The Killerton herd has seen numerous successes in the showring and also won multiple prizes in the South West Club herd competition, winning best extra large and overall herd for three years running and overall champion pedigree herd in the 2022 National herd competition. In the 2022 South West herd competition, Nealford Politician won best progeny bull.

Management

The herd is managed commercially with the majority of cows being outwintered on stubble turnips.

Herd Health

The herd has been closed since 2017 and is a member of the CHECS accredited health scheme (level 3), vaccinating for IBR, Lepto & BVD and monitoring Johnes. Calves are all BVD tag tested negative. The herd passed their most recent whole herd TB test in April and the animals in the sale were pre-movement tested on the 20th June.

Auctioneers Comment

Having had the pleasure of selling bulls and females from the Killerton Herd for many years, we are delighted to be holding another reduction sale at Exeter Livestock Centre following a very successful sale in 2021. There will be very few opportunities as good as this one to purchase genuine quality pedigree Limousins from the Champion National Herd Competition winners and every effort should be made to attend this important sale.

Kivells

The sale comprises 19 Cows with Calves at Foot, 2 In-calf Cows, 3 In-Calf Heifers, 3 Served Heifers, 4 Maiden Heifers and 8 Bulls.

This reduction sale will be sold in Guineas (£1.05).

Due to the use of stock bulls, due dates are given as the vet's best estimate and should be treated as a guide only, although all cows & heifers are warranted in-calf unless stated otherwise.
