Sire: MEADOWRIG PEDRO RLA19-0250

Has been PD'd in calf. Estimated due date: June/July 2024.

Calogale Primrose is the biggest cow we've ever bred at Calogale and she has a lovely Meadowrig Pedro calf at foot that's developing into a big powerful bull. Primrose was AI'd again to Meadowrig Pedro on the 2/9/23 but also ran with Bernish Memphis from calving until mid November. Primrose was PD'd as being approximately 14 weeks in-calf on the 14/12/23 so is expected to calve in June/July 2024. This outfit is only being offered for sale as a result of our constant battle to keep cattle numbers at a manageable level.

Hitchettshill Toffella is sired by the well-known Wilodge Cerberus. She has been successfully shown in summer 2023 and was tapped out as junior interbreed champion at Ashby Show. Toffella comes from a very milky dam, Dinmore Nutella who has bred exceptionally well within the herd. Toffella has been left empty so can be served to the buyer's choice. She has a quiet temperament and is a pleasure to handle.
