The exhibitor will be held entirely responsible by the Society for any circumstances which may result from the appearance of such an animal on the Showground. The Society reserves the right to take blood samples from any animal which the Judge and/or Stewards suspect may have been dosed with illegal substances. A horse ambulance will be in attendance.

Each exhibitor shall be solely responsible for any loss, injury or damage that

maybe done to, or occasioned by or arising from any animal, article, vehicle or property, exhibited or brought on to the Showground by him. I.B.R. Monitored Negative and Leptospira Hardjo Elite animals will be accommodated in separate sections of the cattle lines, as required by the regulations. Exhibitors are reminded that animals arriving home from the Show will be subject to the conditions of the I.B.R. and Leptospirosis-added animals procedures.

The Show is eligible for the TB 180 exemptions. But Exhibitors should adhere to current TB regulations. We are currently in a TB1 area.

Bio-Security: All exhibitors must comply fully with bio-security measures as required by DEFRA

1. **Exhibitors of I.B.R. Monitored Negative cattle** must ENCLOSE A COPY OF THEIR CURRENT CERTIFICATE OF MONITORED NEGATIVE STATUS WITH THEIR ENTRY FORM and SUBMIT A COPY OF THEIR CURRENT CERTIFICATE TO THE STEWARDS AT THE SHOW ENTRANCE GIVING IDENTIFICATION DETAILS OF ALL ANIMALS BEING EXHIBITED.

2. **Cattle Passports.** Each animal that arrives at the showground must have the following documentation:-

A4 Passport (CPP52) or cheque book style passport (CPP13), or Certificate of Registration (CHR3) or Certificate of Registration and/or Green Passport (CPP1).

The Society will be reporting the movements on and off the showground directly to BCMS via CTS online. Please ensure there is sufficient space in the passport for a showground barcode to be placed and the dates of the movement on and off the showground to be recorded.

Before bringing the animal to the show, the keeper must report the off movement to BCMS and complete the Movement Summary section of the passport. When the animal returns from the

show, the keeper must report the movement back on to the farm to BCMS and complete the passport. Failure to bring the relevant certificate(s) to the Show will debar the cattle from entry to the Showground. Bar code labels for passports will be sent with exhibitors' numbers. **THE SOCIETY'S DEFRA HOLDING NUMBER IS 22/015/8000.**

3. Lactation Certificates, AS APPROPRIATE FOR SPECIAL PRIZES AND THE PRODUCTION CLASSES, MUST ALSO ACCOMPANY ENTRY FORMS. Animals which calve or show evidence of calving whilst at the Show, or which have any signs of abnormal discharge, will be placed into isolation and returned home as soon as practicable. If calving takes place or abnormal discharge occurs before the time of judging, such animals will not be allowed to compete. Where an animal calves prematurely or aborts, the Society's Veterinary Officer must be informed immediately, and the State Veterinary Service informed on arrival home. The animal must be returned home TOGETHER WITH ALL OTHER SHOW ANIMALS FROM THE SAME REGISTERED PREMISES after a full range of samples (including, if at all possible, a placental smear) has been taken. The subject animal must be isolated during transit.

4. Anti Tampering. The Society reserves the right to Blood Test animals. Offending animals will be disqualified. Any artificial contrivance or device of any description found on or proved to have been used on an animal at any time whilst that animal is on the Showground, either for preventing the flow of milk or for any other improper purpose, will disqualify that animal from being awarded a prize and any prize awarded prior to discovery will be forfeited. The Instigator or Owner of the said animal may be prohibited from again entering Stock for any of the Society's Shows, for such period as the Committee may see fit. For the purpose of this Regulation, the term 'improper practice' shall be held to include setting of teats and generally any other practice including tampering or of their own or any other animal by the exhibitor or any other person which results in the animals being shown other than in a natural state and the Society reserves the right to have all animals inspected by the Society's Veterinary Officers, either prior to, during, or after judging.

The Society will not tolerate the administration to show exhibits (entering either for competition or sale/demonstration) of tranquillizers or other drugs which may in any way affect the performance of the animal in question to have the effect of making it behave in the show ring in a manner which is not natural. The Society reserves the right to take any necessary samples. Any Person or Exhibitor (or his representative) who is found to have administered or permitted the administration of any such tranquillizer or drugs to any Show exhibit will be reported to the Organizing Committee and dealt with at their discretion. In addition, the matter will be referred to the appropriate Breed Society or Organization.

Any Exhibitor wishing to lodge an objection, having reference to Livestock exhibited at this Show, must make the same in accordance with the objection requirements of the Society. If, on investigation, the objection is not sustained to the satisfaction of the Committee, the sum thus deposited shall, at the discretion of the Committee, be forfeited to the funds of the Society. All objections must be lodged on the same day as the alleged incident occurred in accordance with the objection regulations, and no objection will be SUBSEQUENTLY received, unless a reason, satisfactory to the Committee be assigned for the delay.

5. Ear Numbers. It is a requirement of DEFRA that ear numbers are stated at the time of entry, are printed in the Show catalogue and are checked on the Showground. Therefore, ear numbers must be stated on the entry form for all cattle entered. Information in accordance with the rules of the appropriate Breed Society must be included on each entry form. Stewards will check the identity of every animal at the Show and therefore, where appropriate, certificates must be brought to the Show with the cattle.

6. Definition of Exhibitor Bred. An animal is defined as "Exhibitor Bred" if it is born in the UK or Republic of Ireland and carries the exhibitor's prefix and the exhibitor was the sole registered owner of the dam at the time of birth and registration. An animal born as a result of embryo transplant is deemed "Exhibitor Bred" if at the time of embryo collection, the donor female was in sole ownership of the exhibitor.

7. Group Classes. All entries in Group Classes must be entered on the entry form with all other entries.

8. Beef Section Cancellation. In the event of there being insufficient entries in any of the beef breed sections, the Society reserves the right to cancel these sections but exhibitors will be invited to compete in one of the mixed breed sections. Unless a breed section is cancelled, entries in that breed section cannot compete in either of the OTHER BEEF BREED SECTIONS.

9. **Bull Handling.** All bulls one-year-old and over must have rings in their noses and the attention of exhibitors is drawn to the Notes of Guidance on Bull-Handling issued by the Health and Safety Executive.
