VAT: All the services provided to members by the Society are liable to VAT. Valid VAT invoices are issued for these services.

DNA Costs

| | Column 1 Price of Test at Submission of sample | Column 2 Post submission tests |
|--|---|-----------------------------------|
| Genotype & Myostatin | 20.00 | n/a |
| Genotype & Myostatin with Sire & Dam Verification (up to three parents) | 26.00 | n/a |
| Myostatin | n/a | £5.00 |
| Colour | £1.50 | £5.00 |
| Polled | £1.50 | £5.00 |
| Protoporphyrin | £5.00 | £5.00 |
| Additional Sire/Dam | n/a | £10.00 |
| Parentage Search | n/a | £15.00 |
| Import Profile | n/a | £4.00 |
| Export Profile | n/a | £4.00 |

* If an animal has not been genotyped before, or was last DNA tested prior to 01/03/2018, the sample is automatically genotyped when any of the tests in Column 1 is ordered.

Example of typical order package as follows:

Sire Verification + Myostatin + Polled + Colour £29.00

Genotypes are automatically included within the genomic evaluation to produce genomic estimated breeding values (GEBVS) for the carcass and maternal traits

All costs are exclusive of VAT.
